Kosher Lust Love Is Not The Answer

Brendan G. Carr

Kosher Lust Love Is Not The Answer:

Kosher Lust Shmuley Boteach, 2024-01-23 As many as one in three long term marriages in America are sexless and most people accept this as the inevitable course of a romantic relationship In this groundbreaking book Rabbi Shmuley Boteach explains why the prioritizing of love and companionship in marriage is all wrong and why we should not go quietly into that dark night of celibate marriage It is not love Rabbi Shmuley shows but lust that is the glue of a marriage In this book you will learn how to restore lust to its rightful place as the central pillar of marriage You will learn about the three principles of lust and how to tap into them to keep the flames burning in the family hearth Finally you will discover the incredible emotional and spiritual potential of the intimate marital bond In a wide ranging discussion that plumbs the depths of the erotic mind Rabbi Shmuley delivers a revolutionary message with the power to completely transform your most important relationship

Kosher Hate Rabbi Shmuley Boteach, 2021-11-16 In this provocative and wide ranging book Shmuley Boteach makes the case for Kosher Hate a seemingly paradoxical idea derived from Jewish theological tradition In this startling and original defense of hatred as a moral response to evil Boteach challenges the liberal notion that understanding and forgiveness are the appropriate response to evil deeds arguing that this is merely a secularized version of the misguided Christian teaching one that many Jews have embraced that we must turn the other cheek and love our enemies Instead he maintains that it is Godly to hate evil and it is our duty to do everything we can to bring evildoers to justice While forgiving petty slights is admirable doing so with mass murder is an abomination While loving our enemies is noble this applies to those who steal our parking space or get our promotion at work It does not apply to God's enemies those who engage in genocide and whose murderous ways destroy civilized living

Rabbis of our Time Marek Čejka, Roman Kořan, 2015-10-16 The term rabbi predominantly denotes Jewish men qualified to interpret the Torah and apply halacha or those entrusted with the religious leadership of a Jewish community However the role of the rabbi has been understood differently across the Jewish world While in Israel they control legally powerful rabbinical courts and major religious political parties in the Jewish communities of the Diaspora this role is often limited by legal regulations of individual countries However the significance of past and present rabbis and their religious and political influence endures across the world **Rabbis of Our Time** provides a comprehensive overview of the most influential rabbinical authorities of Judaism in the 20th and 21st Century Through focussing on the most theologically influential rabbis of the contemporary era and examining their political impact it opens a broader discussion of the relationship between Judaism and politics It looks at the various centres of current Judaism and Jewish thinking especially the State of Israel and the USA as well as locating rabbis in various time periods Through interviews and extracts from religious texts and books authored by rabbis readers will discover more about a range of rabbis from those before the formation of Israel to the most famous Chief Rabbis of Israel as well as those who did not reach the highest state religious functions but influenced the relation between Judaism and Israel by other means The rabbis selected

represent all major contemporary streams of Judaism from ultra Orthodox Haredi to Reform and Liberal currents and together create a broader picture of the scope of contemporary Jewish thinking in a theological and political context An extensive and detailed source of information on the varieties of Jewish thinking influencing contemporary Judaism and the modern State of Israel this book is of interest to students and scholars of Jewish Studies as well as Religion and Politics

Judaism for Everyone Shmuley Boteach, 2024-03-19 With the publication of his runaway bestseller *Kosher Sex* Rabbi Shmuley Boteach gained instant fame as a sage and savvy commentator on public and private life Now he turns his outspoken energy and vast erudition to the core teachings of Judaism itself During his years as Rabbi of Oxford University and founder of the university's Jewish outreach organization the L Chaim Society Boteach began to realize how well matched the foundational beliefs of Judaism are to the broad human needs of the modern world Unlike the dualist credo of other religions in which the material and spiritual are always in conflict the Jewish faith uniquely represents a spiritual philosophy concerned about life in this world rather than in the hereafter In *Judaism for Everyone* this most unorthodox of orthodox rabbis explores the Jewish and Biblical origins of civilization's seminal moral ideas and presents Judaism as a program of action for people of all faiths Boteach's interpretations and commentary are a vibrant celebration of the dynamism that is Judaism Whether he's peppering his points with stories from his childhood promoting feminism decrying boredom or extolling the virtues of leisure and solitude Shmuley Boteach never fails to inform inspire and surprise *Judaism for Everyone* is for anyone who seeks a universal moral creed to maximize human goodness and inner potential *Illuminating Counsel*

Jonathan Teram, 2020-12-18 *Illuminating Counsel* How the Least Holy Books of the Hebrew Bible Explore Life's Most Important Issues is a study of eleven books of the Hebrew Bible known collectively as the Ketuvim or Writings Judaism considers these books to be less holy than the other books of the Hebrew Bible Most people don't even know the Jewish order of the books of the Hebrew Bible is different than the Christian order Many people seem to think the Hebrew Bible is antiquated and has little relevance to modern life Even Christians who value the Hebrew Bible as Holy Scripture tend to favor the New Testament Herein it is argued that the least holy books of the Hebrew Bible are life-changing pieces of literature Their poetry and prose cover virtually every emotion every behavior and every aspect of the human condition They are as relevant to the committed nonreligious as they are to the religious So if you want to plunge the depths of literary sublimity if you want to explore what it means to be human to struggle with your mortality to go through death's dark valley and come out on the other side to confront your pain and in so doing find healing then I invite you to read on and discover how the Hebrew Bible illuminates counsel **Kosher Nation** Sue Fishkoff, 2010-10-12 *Kosher* That means the rabbi blessed it right Not exactly In this captivating account of a Bible-based practice that has grown into a multibillions dollar industry journalist Sue Fishkoff travels throughout America and to Shanghai China to find out who eats kosher food who produces it who is responsible for its certification and how this fascinating world continues to evolve She explains why 86 percent of the
