Critical Religious Education in Practice serves as an accessible handbook to help teachers put Critical Religious Education (CRE) into practice. The book offers straightforward guidance, unpicking some of the key difficulties that teachers encounter when implementing this high profile pedagogical approach. In depth explanations of CRE pedagogy accompanied by detailed lesson plans and activities will give teachers the confidence they need to inspire debate in the classroom, tackling issues as controversial as the authority of the Qur'an and the relationship between science and religion. The lesson plans and schemes of work exemplify CRE in practice and are aimed at empowering teachers to implement CRE pedagogy across their curriculum. Additional chapters cover essential issues such as differentiation, assessment, the importance of subject knowledge and tips for tackling tricky topics. The accompanying resources including PowerPoint presentations and worksheets are available via the book's companion website. Key to developing a positive classroom culture and promoting constructive attitudes towards Religious Education, this text is essential reading for all practising and future teachers of Religious Education in secondary schools.
