Love Knows No Boundaries Pat Elliott, 2017-04-21 I actually wrote my book between 1986 and 1988 in Aiken South Carolina while my late husband was battling leukemia I've always wanted to write so one day I just sat down and started jotting down notes To my surprise the words began to flow I used bits and pieces of my real life experiences but for the most part the book is fiction The people are actually real people with fictitious names The places are somewhat real I have written short stories for the most part until this book became my first real writing experience I did not complete the book until August of 1988 after the passing of my husband but it just lay on my desk unpublished until I heard about Xlibris *The illustrations* Robin Kumar, 2017-01-12 Aarman had a childhood crush on Aakansha a classmate from the school He loved her madly but Aakansha didn't He again fell in love with Sonia who played with his emotions and dumped him He now didn't believe in love anymore and an affair for him was for fun without any commitment Had affair with Anupama who turned out to be a high society girl but he was non committal he wasn't hurt Few years later he had a fling on Silvia who visited for an internship in the company he worked He established physical relationship with her but ditched her when she asked for commitment He soon got married and had a great sex life that anybody would vouch for Some ten years later being a complete family man he came in contact with Aakansha his childhood crush on the social media He decides to meet her in person and flies to Pune where she now lived after her second marriage following death of her first husband due to carcinoma On the day before he left Pune Aarman and Aakansha got intimate and had sex for the first time Now things changed Aakansha was in love with him They again met and stayed together for 3 days in a hotel in Patna where they grew up Love was in the air But question was whether Aakansha really loved Aarman Aarman knew she didn't Aakansha only loved and missed her first husband Probably she found her first husband in him One day it revealed from archived marriage photo of Aakansha that Aarman was a look alike of her first husband Aakansha woke up and found no traces of Aarman anywhere on earth be it Facebook or WhatsApp There was no profile of him anywhere Where has he disappeared Aakansha had a copy of the manuscript which Aarman wrote on his life and love with Aakansha She was puzzled She knew minutest details of him but in reality he was no where Aakansha tries to unravel the mystery herself and starts her search for Aarman starting from places they had been to together What she found in the end is the crux of the story **Will I See Him Again?
