Wilson,2009-11 In Love and Live James Wilson urges readers to take back up the honorable ways to avoid living in a manner that pleases only the devil With sincerity and fervency Wilson explains how the world is not following the Creator s path and that demonic influence is causing more and more people all around the world to be ruthlessly treated without respect or decency and often murdered In this exploration of the spiritual influences in our world Love and Live shows readers how every major religion

bears at least some semblance to how God wants us to live As population increases so does violence and behavior inspired by evil spiritual beings If we do not change we are in grave danger of consuming ourselves which has been the plan of the devil the entire time James Wilson explains that humanity s only hope is to awaken its intellect return to the honorable ways and practice the teachings to love and live not to kill and die     Apprehending Love Pekka Karkkainen,Olli-Pekka Vainio,2020-09-29 This volume collects together articles which engage a variety of themes related to human and divine love The title of this book apprehending love employs the notion of apprehensio and especially its medieval background For example Martin Luther built his understanding of justification around this concept which on the one hand refers to intellectual comprehension but on the other hand means becoming one with the object itself In faith Christ becomes not only the outward object of our faith but its proper subject In a similar way when we love someone or something we are transformed according to the object of our love     *Psalm CXIX to Song of Songs* James Hastings,1914     The Great Texts of the Bible: Psalm CXIX to Song of songs James Hastings,1914     God's Radical Love in Missio Dei Edward Kim,2024-12-30 Although missio Dei the mission of God has been a burning theme in missiology since the end of the twentieth century a key verse John 3 16 has been widely neglected in missiology until today Yet John 3 16 reveals missio Dei as the triune God s salvific activities in the world and shows us the very motivation for missio Dei God s Radical Love a love so vast transcultural and universal that no English words can translate the Hebrew Three questions are explored herein How does God s Radical Love in John 3 16 justify God s motivation for missio Dei as the work of the triune God in the Old Testament What does God really plan to achieve in missio Dei And how can missio Dei be applied by Christians in the twenty first century Based on his own experiences the author specifically explores how Messianic Jewish congregations in Israel could respond to and participate in missio Dei with the hope that thoughtful readers may apply this study to their own contexts to engage their own congregations with a deeper understanding of God s Radical Love in missio Dei     *Jacob's Ladder* Josephine Klein,2018-04-17 This book considers mysticism a world of ineffable experience to see if it might have anything to teach those in the therapeutic world invites the reader to look at newer ways of psychoanalytic thinking and uses writers of the past to help illuminate contemporary issues     *DISCOVERING GENESIS ANSWERS* Edward D.
