

My Last Duchess by Robert Browning

Background: Renaissance

- Increased acquisition of wealth and materialism among upper class
- Materialism was used as a way of displaying their wealth through status symbols such as art
- Subjugation of women: women married to wealthy men lacked independence

Structure

- Dramatic monologue
 - speaker inadvertently reveals aspects of their character while describing a situation
- Framing/cyclical structure: the poem begins and ends with the same references/sentences/ideas – with duke displaying his precious possession, highlighting his materialism and worship of objects
 - Used to develop the theme of the poem: the poem begins and ends with descriptions of a work of art from the duke's collection (it starts with a description of a painting of his late wife and ends with a description of a bronze statue of Neptune)
 - Framing the poem like this draws attention to the themes of objectification and treating people like possessions (shows that duke is only interested in possessions)
- Enjambment makes it more conversational – sinister because he is blasé over wife's death

Language

- Speaker: widowed Italian Duke of Ferrara as he tells a silent listener about a painting
 - Duke had a position of power and influence
 - Unreliable 1st person narrator
 - Addressing an emissary who is there to arrange a marriage between the Duke and a Count's daughter
- Formal speech pattern with strict rhyming couplets in iambic pentameter with controlled diction
 - Controlling his diction
 - Speaking euphemistically with forced politeness to his guest
 - Run-on lines result in open couplets, deliberate disruption in sentence structure reflects Duke's speech patterns (controlling, dangerous man)
- Obsessiveness shown by duke's fussy attention to his own rhetoric using interjections, shown by dashes, parenthesis, and ellipsis

Movement

- AABB
- Heroic couplets (paired rhymes in iambic pentameter)
- Meter: iambic (an unstressed syllable followed by a stressed syllable) pentameter (each line is divided into 5 beats/feet) – mimics the rhythm of natural speech and so gives the poem a conversational tone

Imagery

- Wealth and everything that has monetary value (status symbols)
