Professional Website Performance Peter G. Smith, 2012-11-20 Achieve optimal website speed and performance with this Wrox guide. Effective website development requires optimum performance with regard to both web browser and server. This book covers all aspects of building and maintaining websites that deliver peak performance on all levels. Exploring both front end and back end configuration, it examines factors like compression and JavaScript database performance, MySQL tuning, NoSQL alternatives, load balancing across multiple servers, effective caching of web contents, CSS, and much more. Both developers and system administrators will find value in this platform-neutral guide. Covers essential information for creating and maintaining websites that deliver peak performance on both front end and back end. Explains how to configure front end performance related to the web browser and how to speed up communication between server and browser. Topics include MySQL tuning, NoSQL alternatives, CSS, JavaScript, and web images. Explores how to minimize the performance penalties of SSL, load balancing across multiple servers with Apache, Nginx, and MySQL, and effective caching and compression of web contents. *Professional Website Performance: Optimizing the Front End and Back End* offers essential information to help both front end and back end technicians ensure better website performance. *Website Optimization* Andrew B. King, 2008-07-08 Remember when an optimized website was one that merely didn't take all day to appear? Times have changed. Today, website optimization can spell the difference between enterprise success and failure, and it takes a lot more know-how to achieve success. This book is a comprehensive guide to the tips, techniques, secrets, standards, and methods of website optimization. From increasing site traffic to maximizing leads, from revving up responsiveness to increasing navigability, from prospect retention to closing more sales, the world of 21st-century website optimization is explored, exemplified, and explained.
