Searching for Riches Lilly Library (Indiana University, Bloomington), Cecil K. Byrd, 1991 **X-Sta-Cee Entertainment Escorts** Sergeant Phillip A. Spight, 2005-04-05 I have been in the escort business for several years now I began in the military back in 92 I was sent to Germany Bosnia Hungary and Im sure I have been to just about all fifty states I soon found out that women from other cultures are very beautiful creatures I love to meet women of other cultures They are so different Not just different in race but how they view sex as compared to American people What I mean is that sex is a recreational thing to them more than it is a moral issue I found myself always surrounded by beautiful women who enjoyed the sex life To my amazement I found that I could make money for myself and others by using these women When I returned to the United States four years later I created X STA CEE ESCORTS A small escort service that I ran from my barracks using a cheap computer At every duty station that I had I did the same thing Once you get in its hard to get out This was a very exciting and profitable business venture for me I soon found myself making more money in a weeks time than the government paid me in a month This book is a compilation of what I have learned about escorts clients and the law This is the reason that I wrote this book Somebody had to do it Escort Sacha Haughtee, Max Spacer, 2013-07-11 What happens when a high end call girl visits a client Enter the private world of Tina an adventurous bikini model on her quest for quick cash as a high end escort in Southern California Walk with her as she takes her fateful first step into a hotel room as a call girl Feel her fear of the inherent danger in her new line of work Take a front row seat and view the action in this fascinating account of one escort client relationship The two narrators share their thoughts as they discover and act out unforeseen desires together Their relationship develops into more than either of them expected This detailed look into their secret world is filled with explicit sex and laugh out loud humor This is the true story of one Southern California call girl and one long term client This story is told first hand uncensored and unembellished Yes this is what really happened
