Hewitt,2010-12-01 A spoiled socialite and a troubled mogul share a hot night that will transform their lives forever in this contemporary romance Everyone's talking about Zoe Balfour the illegitimate heiress She flies to New York to discover more about her biological family and goes a little wild shocking even herself by spending one night with a gorgeous stranger The gradual loss of his sight has caused Manhattan mogul Max Monroe to close himself off from the world a wife and child are most certainly not on his agenda How will Zoe once just a spoiled socialite and now unexpectedly pregnant unlock the dark heart of a man who may never see his own child **Mia and the Powerful Greek** Michelle Reid,2010-08-01 While

scrubbing floors Mia dreams of a better life Then she discovers she's a Balfour the illegitimate daughter of one of the world's richest dynasties Thrust headfirst into her new family's spectacularly glamorous lifestyle she's scared But then comes an opportunity to learn about high society through the chance to work for Greek tycoon Nikos Theakis who struggled his way up himself from the slums of Athens to Millionaire's Row Nikos has got where he is by always having taken what he wanted

Until Mia's sweetness and integrity stop him in his tracks [Olivia and the Billionaire Cattle King](#) Margaret Way,2011-03-01 After her uncharacteristic behavior made headline news buttoned up Olivia Balfour has been sent far away from home The English rose will work for Clint McAlpine a cattle baron who's as fierce and untamed as his Outback station But she's shocked when Clint informs her that she's entirely at his beck and call The cattle king is determined to get beyond Olivia's prim exterior and under the heat of the Australian sun he'll enjoy slowly unbuttoning her at each and every step of the way

[Sophie and the Scorching Sicilian](#) Kim Lawrence,2010-11-01 The Balfour girls are glitzy glamorous and gorgeous except Sophie Convinced she's dumpy and plain she avoids the limelight But her father has had enough of Sophie hiding herself away He's arranged a job for her to boost her self confidence Working for gorgeous Sicilian Marco Speranza is a revelation Sophie knows that she's not pretty enough to catch the eye of such a powerful man yet he seems determined to seduce her Does the gorgeous billionaire have an ulterior motive

[The Prince's Bride](#) Lois Faye Dyer,2011-08-16 Deciding to focus on her thriving business as a wedding planner Emily Parks had given up her dream of finding the perfect man Yet when handsome Prince Lazhar Eban asked Emily to plan his royal wedding she accepted never guessing that she was the bride to be He'd agreed to marry Emily as part of a business deal and to please his own ailing father but Lazhar had never expected to fall for the beautiful career woman Soon he realized that she'd captured his heart He knew she felt the same way but what would she think once she discovered the false pretenses behind his proposal

[Vienna, 1814](#) David King,2009-03-24 Reads like a novel A fast paced page turner it has everything sex wit humor and adventures But it is an impressively researched and important story David Fromkin author of Europe's Last Summer Vienna 1814 is an evocative and brilliantly researched account of the most audacious and extravagant peace conference in modern European history With the feared Napoleon Bonaparte presumably defeated and exiled to the small island of Elba heads of some 216 states gathered in Vienna to begin piecing together the ruins of his toppled empire Major questions loomed What would be done with France How were the newly liberated territories to be divided What type of restitution would be offered to families of the deceased But this unprecedented gathering of kings dignitaries and diplomatic leaders unfurled a seemingly endless stream of personal vendettas long simmering feuds and romantic entanglements that threatened to undermine the crucial work at hand even as their hard fought policy decisions shaped the destiny of Europe and led to the longest sustained peace the continent would ever see Beyond the diplomatic wrangling however the Congress of Vienna served as a backdrop for the most spectacular Vanity Fair of its time Highlighted by such celebrated figures as the elegant but incredibly vain Prince Metternich of Austria the unflappable and devious Prince Talleyrand of France and the volatile Tsar Alexander of Russia as well as appearances by Ludwig van Beethoven and Emilia Bigottini the sheer star power of the Vienna congress outshone nearly everything else in the public eye An early incarnation of the cult of celebrity the congress devolved into a series of debauched parties that continually delayed the progress of peace until word arrived that Napoleon had escaped abruptly halting the revelry and

shrouding the continent in panic once again Vienna 1814 beautifully illuminates the intricate social and political intrigue of this history defining congress a glorified party that seemingly valued frivolity over substance but nonetheless managed to drastically reconfigure Europe's balance of power and usher in the modern age [The Court Journal and Fashionable Gazette](#), 1858 *The Queen* Andrew Morton, 2022-11-15 1 New York Times bestselling biographer Andrew Morton provides the definitive most comprehensive account of Queen Elizabeth II's legendary reign Painfully shy Elizabeth Windsor's personality was well suited to her youthful ambition of living quietly in the country raising a family and caring for her dogs and horses But when her uncle King Edward VIII abdicated she became heir to the throne embarking on a journey that would test her as a woman and queen Ascending to the throne at only 25 this self-effacing monarch navigated endless setbacks family conflict and occasional triumphs throughout her 70 years as the Queen of England As her mettle was tested she endeavored to keep the monarchy relevant culturally socially and politically often in the face of resistance from inside the institution itself And yet the greatest challenges she faced were often inside her own family forever under intense scrutiny from rumors about her husband's infidelity her sister's marital breakdown Princess Diana's tragic death to the recent departure of Prince Harry and Meghan Markle Now in *The Queen* renowned biographer Andrew Morton takes an in-depth look at Britain's longest reigning monarch exploring the influence Queen Elizabeth had on both Britain and the rest of the world for much of the last century From leading a nation struggling to restore itself after the devastation of the second World War to navigating the divisive political landscape of the present day Queen Elizabeth was a reluctant but resolute queen This is the story of a woman of unflagging self-discipline who will long be remembered as mother and grandmother to Great Britain and one of the greatest sovereigns of the modern era [We Two](#) Gillian Gill, 2009-11-30 NEW YORK TIMES BESTSELLER A delectable double bio Talk about Victoria's secret A fascinating portrait of a genuine love match but one in which the partners dealt with surprisingly modern issues USA Today It was the most influential marriage of the nineteenth century and one of history's most enduring love stories Traditional biographies tell us that Queen Victoria inherited the throne as a naive teenager when the British Empire was at the height of its power and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master Now renowned chronicler Gillian Gill turns this familiar story on its head revealing a strong feisty queen and a brilliant fragile prince working together to build a family based on support trust and fidelity qualities neither had seen much of as children The love affair that emerges is far more captivating complex and relevant than that depicted in any previous account The epic relationship began poorly The cousins first met as teenagers for a few brief awkward chaperoned weeks in 1836 At seventeen charming rather than beautiful Victoria already showed signs of wanting her own way Albert the boy who had been groomed for her since birth was chubby self-absorbed and showed no interest in girls let alone this princess So when they met again in 1839 as queen and presumed prince consort to be neither had particularly high hopes But the queen was

delighted to discover a grown man refined accomplished and whiskered Albert is beautiful Victoria wrote and she proposed just three days later As Gill reveals Victoria and Albert entered their marriage longing for intimate companionship yet each was determined to be the ruler This dynamic would continue through the years each spouse headstrong and impassioned eager to lead the marriage on his or her own terms For two decades Victoria and Albert engaged in a very public contest for dominance Against all odds the marriage succeeded but it was always a work in progress And in the end it was Albert s early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad pure and perfect As Gill shows the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated Wonderfully nuanced surprising often acerbic and informed by revealing excerpts from the pair s journals and letters We Two is a revolutionary portrait of a queen and her prince a fascinating modern perspective on a couple who have become a legend
