Emmanuel The Life Of Jesus Christ:

Emmanuel Janet Bassindale, 2014-11-10 *Emmanuel The Life of Jesus Christ* is a biographical account of the life of Jesus Christ and is a harmony of the four gospels accounts of Mathew Mark Luke and John compiled from the Bible text It enables the reader to follow the life of Jesus as one seamless story It shows who Jesus is what He did and His thoughts feelings and teachings It shows how he healed every person of every type of sickness and disease how His following grew to myriads and finally how He erased our sins by His death on the cross and His subsequent resurrection from the dead and ascension into heaven I hope it will be used by many as the start of a deeper study of the gospels accounts As Jesus said in John 17 3 Eternal life is this to know you the only true God and Jesus Christ whom you sent **Immanuel, Or the Life of Jesus Christ Our Lord** Eddy Zachary, 1901 **Immanuel, Or the Life of Jesus Christ Our Lord** Zachary Eddy, 1868 **Emmanuel:**

attention and demand duty from its bearers It s a wakeup call to the slothful and a harsh reminder to the proud But it s more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good **Upper Room Bulletin** Upper Room Bible Class (Ann Arbor, Mich.),1927

Return to God Danson Enogiomwan Ubebe,2013-03-01 Return to God is a rare resource for uncommon Bible knowledge It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant and yet strings them together without mixing them up The book covers several areas of the Holy Bible that a great number of people shy away from It is written to give glory to God not to man In explaining the hidden biblical truth the book debunks several commonly held views about tithing fasting seed sowing who of the spirit soul and body is the real man and more It further clarifies what Jesus Christ meant by believe and who can be described as really born again The book shows that man without Jesus Christ and this world are themselves darkness and that re incarnation is a reality and not an eastern religion gimmick The coverage by the book is huge and deep In the end a brief account of the evolution of Christianity is added The book also shows that there is a connection between Jesus Christ and the Tree of Life Return to God which unearths several hidden meanings of the Holy Bible teaching will appeal to those who are interested in religion and are seekers of God and the truth of the gospel of grace **Covering Up Luther** Rustin E. Brian,2013-03-13 Karl Barth s Christology provides a key to out narrating the Deus absconditus which as Rustin Brian contends is in fact the god of modernity Included in this is the rejection of the logical and philosophical systems that allow for the modern understanding of God as the Deus absconditus namely dialectics and nominalism This rejection is illustrated interestingly enough in Barth s decision to literally cover up with a rug Martin Luther s works in his personal library Surely this was more than a decorative touch The reading of Barth s works that results from this starting point challenges much of contemporary Barth scholarship and urges readers to reconsider Barth Through careful examination of a large body of Barth s writings particularly in regard to the issues of the knowledge or knowability of God as well as Christology Brian argues that contemporary Barth scholarship should be done in careful conversation with the finest examples of both Protestant and especially Roman Catholic theology Barth s paradoxical Christology thus becomes the foundation for a dogmatic ecumenicism Barth s Christology then just might be able to open up possibilities for discussion and even convergence within a church that is anything but one
