English as a Lingua Franca in Wider Networking Paola Vettorel, 2014-08-27 In a constantly interconnected world communication takes place beyond territorial boundaries in networks where English works as a lingua franca The volume explores how ELF is employed in internationally oriented personal blogs findings show how bloggers deploy an array of resources to their expressive and interactional aims combining global and local communicative practices Implications of findings in ELF and ELT terms are also discussed

Reconceptualizing English Education in a Multilingual Society Isabel Pefianco Martin, 2018-03-01 This book brings together chapters that describe investigate and analyze the place of English in education in multilingual Philippines Unlike most studies on languages in education which take a neutral de contextualized stance this volume take a pluricentric view of the English language by positioning it in relation to its varieties as well as to other languages in the country Because of the changing realities of English in the Philippines traditional assumptions about the language as monolithic and unchanging as well as about how it should be taught and learned need to be revisited and re conceptualized

The Magic Key Ruth Enid Zambrana, Sylvia Hurtado, 2015-10-15 Mexican Americans comprise the largest subgroup of Latinas and their path to education can be a difficult one Yet just as this group is often marginalized so are their stories and relatively few studies have chronicled the educational trajectory of Mexican American men and women In this interdisciplinary collection editors Zambrana and Hurtado have brought together research studies that reveal new ways to understand how and why members of this subgroup have succeeded and how the facilitators of success in higher education have changed or remained the same The Magic Key's four sections explain the context of Mexican American higher education issues provide conceptual understandings explore contemporary college experiences and offer implications for educational policy and future practices Using historical and contemporary data as well as new conceptual apparatuses the authors in this collection create a comparative nuanced approach that brings Mexican Americans lived experiences into the dominant discourse of social science and education This diverse set of studies presents both quantitative and qualitative data by gender to examine trends of generations of Mexican American college students provides information on perceptions of welcoming university climates and proffers insights on emergent issues in the field of higher education for this population Professors and students across disciplines will find this volume indispensable for its insights on the Mexican American educational experience both past and present

Language and Sustainable Development Lisa J. McEntee-Atalianis, Humphrey Tonkin, 2023-03-03 This book addresses the importance of language in matters of sustainability and incorporating such concerns in implementing the UN's Sustainable Development Goals SDGs Sustainable language policy must aim to include all groups including language minorities and marginalized populations such as refugees and aid recipients in conditions that allow for their inclusion in making and implementing policy The book brings together nine studies covering such topics as language and digital resources sustainable and inclusive multilingual education national

language policy and language in peacekeeping operations A final chapter addresses the crucial intersection between sociolinguistics and economics and the implications of this for development and the SDGs

*Administrative Law in Action* Robert Thomas, 2022-02-10 This book investigates and analyses how administrative law works in practice through a detailed case study and evaluation of one of the UK's largest and most important administrative agencies the immigration department In doing so the book broadens the conversation of administrative law beyond the courts to include how administrative agencies themselves make apply and enforce the law Blending theoretical and empirical administrative legal analysis the book demonstrates why we need to pay closer attention to what government agencies actually do how they do it how they are organised and held to account Taking a contextual approach the book provides a detailed analysis of how the immigration department performs its core functions of making policy and law taking mass casework decisions and enforcing immigration law The book considers major recent episodes of immigration administration including the development of the hostile environment policy and the treatment of the Windrush generation By examining a diverse range of material the book presents a model of administrative law based upon the organisational competence and capacity of administration and its institutional design Alongside diagnosing the immigration department's failings the book advances positive proposals for its reform

*Gaelic in Scotland* McLeod Wilson McLeod, 2020-09-04 In this extensive study of the changing role of Gaelic in modern Scotland from the introduction of state education in 1872 up to the present day Wilson McLeod looks at the policies of government and the work of activists and campaigners who have sought to maintain and promote Gaelic In addition he scrutinises the competing ideologies that have driven the decline marginalisation and subsequent revitalisation of the language Taking an interdisciplinary approach at the boundary of history law language policy and sociolinguistics the book draws upon a wide range of sources in both English and Gaelic to consider in detail the development of the language policy regime for Gaelic that was developed between 1975 and 1989 It examines the campaign for the Gaelic Language Scotland Act 2005 its contents and implementation and assesses the development and delivery of development and delivery of Gaelic education and media from the late 1980s to the present

**Integration, Identity and Language Maintenance in Young Immigrants** Ludmila Isurin, Claudia Maria Riehl, 2017-04-12 The volume presents a selection of contributions related to integration adaptation language attitudes and language change among young Russian speaking immigrants in Germany At the turn of the century Germany which defined itself as a mono ethnic and mono racial society has become a country integrating various immigrant groups Among those there are three different types of Russian immigrants Russian Germans Russian Jews and ethnic Russians all three often perceived as Russians by the host country The three groups have the same linguistic background but a different ethnicity known as nationality a separate entry in Russian official documents This defined the immigration paths and the subsequent integration into German society where each group strives to position itself in relation to two other groups in the same migrant space The book discusses the complexities of belonging and self other

**Intercultural Crisis Communication** Christophe Declercq, Federico M. Federici, 2019-11-14 Intercultural Crisis Communication poses pertinent questions and provides powerful responses to crises that have characterised the modern world since 2010. Language mediation in situations of disaster, emergency and conflict is an under-developed area of scholarship in Translation Studies. This book responds to a clear need for research drawn from practical experiences in the field and explores the crucial role of translation, interpretation and mediation in contexts of crises. Particular consideration is given to situations where rare or minority languages represent a substantial obstacle to humanitarian operations. Contemporary case studies from the USA, Africa, Europe and Armenia provide major examples of crisis communication that call for more efficient language mediation. Such examples include Syrian displacement, the refugee crisis in Croatia and Italy, international terrorism and national public administration interpreting in conflict and for *M' decins sans Frontières* as well as the integration of refugee doctors for employment in the UK. With contributions from experts in the field, this volume is of international relevance and provides a multifaceted overview of intercultural communication issues and remedies during crises.

**Left Out** Kimberley Reynolds, 2016 Left Out presents an alternative and corrective history of writing for children in the first half of the twentieth century Between 1910 and 1949 a number of British publishers writers and illustrators included children s literature in their efforts to make Britain a progressive egalitarian and modern society Some came from privileged backgrounds others from the poorest parts of the poorest cities in the land some belonged to the metropolitan intelligentsia or bohemia others were working class autodidacts but all sought to use writing for children and young people to create activists visionaries and leaders among the rising generation Together they produced a significant number of both politically and aesthetically radical publications for children and young people This radical children s literature was designed to ignite and underpin the work of making a new Britain for a new kind of Briton While there are many dedicated studies of children s literature and childrens writers working in other periods the years 1910 1949 have previously received little critical attention In this study Kimberley Reynolds shows that the accepted characterization of interwar children s literature as retreatist anti modernist and apolitical is too sweeping and that the relationship between children s literature and modernism left wing politics and progressive education has been neglected

*Ethnographies of U.S. Empire* Carole McGranahan, John F. Collins, 2018-08-02 How do we live in and with empire The contributors to *Ethnographies of U S Empire* pursue this question by examining empire as an unequally shared present Here empire stands as an entrenched if often invisible part of everyday life central to making and remaking a world in which it is too often presented as an aberration rather than as a structuring condition This volume presents scholarship from across U S imperial formations settler colonialism overseas territories communities impacted by U S military action or political intervention Cold War alliances and fissures and most recently new forms of U S empire after 9 11 From the Mohawk Nation Korea and the Philippines to Iraq and the hills of New Jersey the contributors show how a methodological and theoretical commitment to ethnography sharpens all of our understandings of the novel and timeworn ways people live thrive and resist in the imperial present Contributors Kevin K Birth Joe Bryan John F Collins Jean Dennison Erin Fitz Henry Adriana Mar a Garriga L pez Ol via Maria Gomes da Cunha Matthew Gutmann Ju Hui Judy Han J K haulani Kauanui Eleana Kim Heonik Kwon Soo Ah Kwon Darryl Li Catherine Lutz Sunaina Maira Carole McGranahan Sean T Mitchell Jan M Padios Melissa Rosario Audra Simpson Ann Laura Stoler Lisa Uperesa David Vine

Education and Language in the Philippines Lorraine Pe Symaco, Francisco P.

Dumanig,2022-02-28 Education and Language in the Philippines provides a comprehensive overview of the critical role of education and language development in the Philippines Lorraine Pe Symaco and Francisco P Dumanig highlight the economic social and political factors that led to the complexity of the country s education system and language policies In addition they provide a nuanced discussion of the pressing issues regarding the contextual realities of Philippine education language policies and reforms the role of multilingual education in learners identity formation and the impact of multi ethnic teaching approaches The book emphasizes that in a plurilingual country social actors contribute in many ways to the changes of language education policy It explores and discusses how such policies are implemented and results in the development of multilingual education This book is the first to comprehensively examine the interconnected roles of education and language in the Philippines The Complete Illustrated Book of Development Definitions Harvey S. Moskowitz,Carl G.

Lindbloom,David Listokin,Richard Preiss,Dwight Merriam,2017-07-05 The latest edition of The Illustrated Book of Development Definitions breaks new ground It addresses traditional and new planning problems natural and industrial disasters such as hurricanes and oil spills new housing types and living accommodations changes in urban design and practice like new urbanism sustainability pedestrian and bicycle friendly environments and more Joining Harvey S Moskowitz and Carl G Lindbloom authors of the first three editions are two prominent nationally known planners David Listokin and Richard Preiss Attorney Dwight H Merriam adds legal annotations to almost all 2 276 definitions These citations from court decisions bridge the gap between land use theory and real world application bringing a new dimension to this edition More than 20 000 copies of previous editions were sold over four decades to professionals and government representatives such as members of planning and zoning boards and municipal governing bodies This first revision in ten years updates what is widely acknowledged as an essential standard reference for planners **Legal Integration and Language Diversity**

C.J.W. Baaij,2018-02-01 How can the European Union create laws that are uniform in a multitude of languages Specifically how can it attain both legal integration and language diversity simultaneously without the latter compromising the former C J W Baaij argues that the answer lies in the domain of translation A uniform interpretation and application of EU law begins with the ways in which translators and jurist linguists of the EU legislative bodies translate the original legislative draft texts into the various language versions In the European Union law and language are inherently connected The EU pursues legal integration i e the incremental harmonization and unification of its Member States laws for the purpose of reducing national regulatory differences between Member States However in its commitment to the diversity of European languages its legislative institutions enact legislative instruments in 24 languages Language Diversity and Legal Integration assesses these seemingly incompatible policy objectives and contemporary translation practices in the EU legislative procedure and proposes an alternative source oriented approach that better serves EU policy objectives Contrary to the orthodox view in academic literature and to the current policies of the EU this book suggests that the English language version should serve

as the original and only authentic legislative text Translation into the other language versions should furthermore avoid prioritizing clarity and fluency over syntactic correspondence and employ neologisms for distinctly EU legal concepts Ultimately Baaij provides practical solutions to the conflict between the equality of all language versions and the need for uniform interpretation and application of EU law
