

Guide to Paper 2:

Time: 1&1/2 hour

Out of 25 marks

25% of total IB grade

Here is a sample of questions that represent the kinds of questions that could appear on the exam. They are inspired by the sample questions that appear in the *Language A: Language and Literature* guide.

1. Explain how the authors of at least two literary works have portrayed a social group in a particular way. How might the contexts of the authors have influenced their portrayal of these social groups?
2. It is often said that literature is a voice for social commentary. How is this true of at least two works that you have read?
3. To what extent can the meaning of a literary work change over time? How does this question apply to at least two works that you have read?
4. To what degree are readers influenced by their culture and context. Explain how at least two works could be read differently depending on the culture of their audience.
5. 'Coming of age' is a common theme in literary works. With regards to at least two literary works, explain how the author's own youth influenced their portrayal of this theme.
6. With regards to at least two literary works, explain how the setting both influences the characters and reflects the author's own context.
7. How are the characters from at least two literary works representational of people from the time and place in which they were written?
8. Why might two of your Part 3 works be considered 'timeless'?
9. With regards to two literary texts, explain why authors may have chosen to depict events in a particular sequence or order.
10. How do two literary works both reflect and challenge the spirit of the times in which they were written?

Get very comfortable with bending, morphing and twisting your texts and/or the prompt so that they are as compatible with each other as possible. There are two ways that this can be achieved:

1. **Morphing existing ideas in your own texts to fit the prompt.** While Jane Sherwood's (some random character) nostalgia in your Incredible Text 1 may not directly relate to "imprisonment", you could twist the character's nostalgia into the idea that emotions can trap or "imprison" an individual in a treasured memory or a past experience. Nostalgia and imprisonment seem like unlikely brothers at first, but with a bit of justification they look almost like identical twins.
2. **Redefining the prompt (reasonably).** The key of the prompt can often be vague. For example, there was a real IB exam prompt that asked whether "male characters were more interesting than female characters." What does "interesting" even mean? The IB Gods are inviting you to **constrain the topic** in a way that works for your texts specifically. You could write in the first sentence of your introduction: "Interest, an important part of dramatic works, is often generated by emotional conflict and the subsequent creation of tension." Here I have restricted the broad topic of "interesting" to the more clearly-defined topic of "emotional
