

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

[Adapted from *The Juice*, January 2020]

QUESTIONS: TEXT F

- 5.1 Refer to line 1.
Provide a synonymous phrase for 'on many fronts'. (1)
- 5.2 What is the function of the hyphen in 're-evaluate' (line 2)? (1)
- 5.3 Rewrite the following sentence in the passive voice.
'If something or someone doesn't bring you joy, it's pretty pointless carrying on with it' (lines 2–3). (1)
- 5.4 Remove the redundancy in paragraph 1. (1)

Public Archives of Canada,1913 *The Foreign Quarterly Review* ,1870 *The Westminster Review* ,1869 **Open Admissions** Danica Savonick,2024-07-05 In Open Admissions Danica Savonick traces the largely untold story of the teaching experience of Toni Cade Bambara June Jordan Audre Lorde and Adrienne Rich at the City University of New York cuny in the late 1960s and early 1970s This period during which cuny guaranteed tuition free admission to every city high school graduate was one of the most controversial in US educational history Analyzing their archival teaching materials syllabi lesson plans and assignments alongside their published work Savonick reveals how these renowned writers were also transformative educators who developed creative methods of teaching their students to navigate and change the world In fact many of their methods such as student led courses collaborative public projects and the publication of student writing anticipated the kinds of student centered and antiracist pedagogies that have become popular in recent years In addition to recovering the pedagogical legacy of these writers Savonick shows how teaching in cuny s free and open classrooms fundamentally altered their writing and with it the course of American literature and feminist criticism **The Papers of Thomas Jefferson,**

Volume 12 Thomas Jefferson, 2018-06-05 Volumes 11 and 12 cover the period from January 1787 through March 1788 and deal with Jefferson's stay in France as American Minister there. This is a rich period of personal correspondence and important documents revealing particularly Jefferson's interest in agriculture and architecture, his extended trade negotiations, his reports on the adoption of the U.S. Constitution and his skilled efforts to establish friendly relations between Europe and his own nation.

English Language Teaching during Japan's Post-war Occupation Mayumi Ohara, John Buchanan, 2018-06-27 In 1945 Japan had to adjust very rapidly to sudden defeat to the arrival of the American Occupation and to the encounter with the English language together with a different outlook on many aspects of society and government. This scholarly book is based on in-depth interviews with people now aged who were school students at the time of the Occupation and who experienced first-hand this immense cultural change. The book considers the nature of the changing outlook including democratization, the new role for the Japanese Emperor and all this represented for the place of tradition in Japanese life and the growing emphasis on individualism away from collectivism. It discusses the changing system of education itself including new structures and new textbooks and relates the feelings of the participants as they came to terms with defeat and the language and culture of the former enemy. Overall the book provides a fascinating insight into a key period of Japanese history.

The American and English Encyclopedia of Law James Cockcroft, David Shephard Garland, Lucius Polk McGehee, Charles Porterfield, 1897

The English Ministers and Jacobitism between the Rebellions of 1715 and 1745 Paul S. Fritz, 1975-12-15 Since the rise of the modern nation state in Europe political leaders have had to cope with the problems of conspiracy and internal security. *The English Ministers and Jacobitism between the Rebellions of 1715 and 1745* is a study of the response made to these twin problems by the British central government under Stanhope, Sunderland and Walpole. Faced with the prospect of assassination, internal rebellion and conspiracy, the ministers naturally took all necessary measures to protect the security of the state. Nor did their worries end with the successful defeat of the Jacobite Rebellion of 1715: an examination of the anti-Jacobite campaign after this date clearly demonstrates a continuing dread of Jacobitism. At the same time their action in the years 1715-45 against Jacobite plots for a restoration betrays an acute awareness on their part of the political advantages to be reaped through careful exploitation of those fears. Professor Fritz's study is a valuable addition to the existing literature on Jacobitism. It uncovers new documents revealing the workings of the conspirators and it illuminates how the threat of conspiracy was used successfully by imaginative politicians to retain power.
