Using the concept of organizational legitimacy from organizational institutionalism as its framework the study provides a detailed account of the center's daily operations. It examines how the organization manages its legitimacy while navigating regulations providing private supplementary tutoring and addressing public skepticism. The book documents the typical operations of such institutions in Chinese mainland before stringent regulations disrupted their activities serving as a salvage record. This book enriches educational ethnographies and will appeal to academics of shadow education. Chinese education and ethnography

Personality Tests and Reviews II Oscar Krisen Buros, 1975 **Educational Measurement** Robert L. Brennan, 2023-10-03 Educational Measurement has been the bible in its field since the first edition was published by ACE in 1951. The importance of this fourth edition of Educational Measurement is to extensively update and extend the topics treated in the previous three editions. As such the fourth edition documents progress in the field and provides critical guidance to the efforts of new generations of researchers and practitioners. Edited by Robert Brennan and jointly sponsored by the American Council on Education ACE and the National Council on Measurement in Education the fourth edition provides in depth treatments of critical measurement topics and the chapter authors are acknowledged experts in their respective fields. Educational measurement researchers and practitioners will find this text essential and those interested in statistics psychology business and economics should also find this work to be of very strong interest. Topics covered are divided into three subject areas: theory and general principles; construction administration and scoring and applications. The first part of the book covers the topics of validation reliability item response theory scaling and norming linking and equating test fairness and cognitive psychology.
