Passage A: A Disappointing Return!

I had been imagining this return trip down the narrow track to Soche Hill for many years. Some trips mean so much to us that we rehearse them obsessively in our head, in delicious anticipation. It was a homecoming more important to me than going back to Medford where I had grown up.

Instead of driving straight to the school I stopped at the nearby town of Limbe, which began abruptly, the edge of the town slummy, with the outdoor businesses – bicycle menders, car repairers, coffin-makers; the rest of it chaotic, litter and mobs, small businesses and bars and dubious-looking clinics. The town was much fuller – larger and meaner-looking. In a fine, chilly and drifting mist, I drove out of Limbe by a familiar route; uphill through a forest that had once been much larger, past a village that had once been much smaller, on a paved road that had once been just a muddy track. My hopes were raised by this narrow but good back road that ascended to the lower slopes of Soche Hill, for I assumed that this improved road indicated that the school too had been improved.

But I was wrong. The school was almost unrecognisable. What had been a set of school buildings in a large grove of trees was a semi-derelect compound of battered buildings in a muddy, open field. The trees had been cut down, the grass was chest high. At first glance the place was so poorly maintained as to seem abandoned: broken windows, doors ajar, mildewed walls, gashes in the roofs, and just a few people standing around, empty-handed, doing nothing but gaping at me.

I walked to the house I had once lived in. The now-battered building had once lain behind hedges and blossoming shrubs, but the shrubbery was gone, replaced by a small scrappy garden of withered maize. Tall elephant grass had almost overwhelmed the garden and now pressed against the house. The building was scorched and patched. Firewood had been thrown in a higgledy-piggledy stack outside the kitchen.

More rain-stained mildewed walls and sagging roofs, more broken windows and cracked verandas up the road, at the other teachers' houses. The drizzle was coming down hard now, but the rain and the mud and the dripping trees and the green slime on the brick walls were appropriate to the melancholy I felt.

I met two teachers standing in the wet road, chatting together. They introduced themselves as Anne Holt and Jackson Yekha – new teachers here.

'Ever heard of the Roseveares?' I asked. 'They actually started the school. They lived over there.'

English Paper 1 November 2013 Memo:

The EU and Member State Building Soeren Keil, Zeynep Arkan, 2014-12-05 This book critically examines the process of statebuilding by the EU focusing on its attempts to build Member States in the Western Balkan region This book analyses the European Union's policies towards and the impact they have upon the states of the Western Balkans and assesses how these affect the nature of EU foreign policy To this end it focuses on the tools and mechanisms that the EU employs in its enlargement policy and examines the new instruments of direct intervention in Bosnia and Kosovo political coercion in the case of Croatia and Serbia in relation to the International Criminal Tribunal for the former Yugoslavia and stricter conditionality in the Western Balkan countries The book discusses the key aim of this special form of statebuilding which is to establish functional liberal democratic states in Albania Bosnia and Herzegovina Croatia Kosovo Macedonia Montenegro and Serbia in order for them to join the EU and to cope with the responsibilities and pressures of membership in the future However the authors argue that while the EU sees itself as an international actor that promotes and protects liberal democratic values norms and principles its experiences in the Western Balkans demonstrate how the EU's actions in the region have undermined the basic principles of democratic decision making such as the European support for impositions in Bosnia and international law Kosovo and have consequently contributed to new tensions see police reform in Bosnia and the tensions between Kosovo and Serbia and dependencies This book will be of much interest to students of statebuilding EU politics global governance and IR Security Studies in general

Reappraising the Seicento Andrew Cheetham, Joseph Knowles, Jonathan Wainwright, 2014-03-26 Reappraising the Seicento presents new perspectives on some relatively well researched areas of music history and adumbrates some more arcane aspects of the period offered by fledgling scholars and early career researchers in the field of musicology The scope of the title has the potential to warrant a tome on the subject but it is not the intention to provide a comprehensive survey of music in the seventeenth century Instead five essays are presented divided into two sections which represent the research activities of young scholars with an interest in the seicento In the first part of this book compositional procedure in seicento Italy is examined through two different analytical procedures Musical styles and fashions changed considerably throughout Europe in the seventeenth century at the forefront of these changes were Italian composers and performers who found fame and influence in their native countries as well as abroad In the second part of this book the dissemination of Italian music in seventeenth century England and the appropriation and assimilation of contemporary Italian compositional techniques by English composers are considered The phenomenal interest shown in Italian music by English patrons and musicians of the seventeenth century is placed into context and is revealed to be part of a larger historical trend

Law, Economics, and Conflict Kaushik Basu, Robert C. Hockett, 2021-08-15 In *Law Economics and Conflict* Kaushik Basu and Robert C Hockett bring together international experts to offer new perspectives on how to take analytic tools from the realm of academic research out into the real world to address pressing policy questions As the essays discuss political polarization regional conflicts climate change and the dramatic technological breakthroughs of the digital age have all left the standard tools of regulation floundering in the twenty first century These failures have in turn precipitated significant questions about the fundamentals of law and economics The contributors address law and economics in diverse settings and situations including central banking and the use of capital controls fighting corruption in China rural credit markets in India pawnshops in the United States the limitations of antitrust law and the role of international monetary regimes Collectively the essays in *Law Economics and Conflict* rethink how the insights of law and economics can inform policies that provide individuals with the space and means to work innovate and prosper while guiding states and international organization to regulate in ways that limit conflict reduce national and global inequality and ensure fairness Contributors Kaushik Basu Kimberly Bolch University of Oxford Marieke Bos Stockholm School of Economics Susan Payne Carter US Military Academy at West Point Peter Cornelisse Erasmus University Rotterdam Ga l Giraud Georgetown University Nicole Hassoun Binghamton University Robert C Hockett Karla Hoff Columbia University and World Bank Yair Listokin Yale Law School Cheryl Long Xiamen University and Wang Yanan Institute for Study of Economics WISE Luis Felipe L pez Calva UN Development Programme C lestin Monga Harvard University Paige Marta Skiba Vanderbilt Law School Anand V Swamy Williams College Erik Thorbecke Cornell University James Walsh University of Oxford Contributors Kimberly B Bolch Marieke Bos Susan Payne Carter Peter A Cornelisse Ga l Giraud Nicole Hassoun Karla Hoff Yair Listokin Cheryl Long Luis F L pez Calva C lestin Monga Paige Marta Skiba Anand V Swamy Erik Thorbecke James Walsh Memories of the Second World War in Neutral Europe, 1945–2023 Manuel Bragança, Peter Tame, 2023-12-12 This edited volume is a sequel to and a development of *The Long Aftermath Cultural Legacies of Europe at War 1936 2016 2016* It focuses on the six major European countries and states that remained officially neutral throughout the Second World War namely Ireland Portugal

Spain Sweden Switzerland and the Vatican Its transnational comparative and interdisciplinary approach addresses complex questions pertaining to collective remembrance national policies and politics and intellectual as well as cultural responses to neutrality during and after the conflict The contributions are from a broad range of scholars working across the disciplines of history literature film media and cultural studies Their thought provoking chapters challenge many assumptions about neutrality in the post war European and global context thereby filling a gap in the existing scholarship Common themes that run through the volume include the intertwined and dynamic links between neutrality and moral responsibility during and after the Second World War the importance of memory politics and popular culture in shaping collective memories and the impact of the Holocaust in shifting traditional perspectives on neutrality since the 1990s This volume will be of interest to undergraduates postgraduates scholars interested in the field of memory studies as well as non specialist readers

Human Wrongs T. J. Coles, 2018-05-25 A devastating analysis of modern Britain Britain is a forward thinking human rights protecting beacon of democracy right Think again Written in time for the 70th anniversary of the Universal Declaration of Human Rights this book is a documented exposé of Britain's domestic human rights abuses under successive governments from the year 2000 to the present It covers the deaths of the 20 000 pensioners a year who can't afford heating the 40 000 people who succumb to air pollution each year the limits on freedom of speech including libel law mass surveillance of Britons by the deep state and much much more By comparing Britain to other rich countries on issues as diverse as infant mortality child wellbeing ethnic rights and union membership Human Wrongs reveals just how anti human the British system really is for people of a certain class gender disability and or ethnicity Men in reserve Juliette Pattinson, Arthur McIvor, Linsey Robb, 2017-02-01 Men in reserve focuses on working class civilian men who as a result of working in reserved occupations were exempt from enlistment in the armed forces It uses fifty six newly conducted oral history interviews as well as autobiographies visual sources and existing archived interviews to explore how this group articulated their wartime experiences and how they positioned themselves in relation to the hegemonic discourse of military masculinity It considers the range of masculine identities circulating amongst civilian male workers during the war and investigates the extent to which reserved workers draw upon these identities when recalling their wartime selves It argues that the Second World War was capable of challenging civilian masculinities positioning the civilian man below that of the soldier hero while simultaneously reinforcing them by bolstering the capacity to provide and to earn high wages frequently in risky and dangerous work all which were key markers of masculinity **Bank Recovery and Resolution** Sven

Schelo, 2020-10-14 Bank Recovery and Resolution Second Edition Sven Schelo Since 2008 enormous efforts have been made worldwide to draft rules to prevent a reoccurrence of the devastating financial events of that year In the process bank business has been laid open to intense public and government scrutiny and regulation of banking has grown to spectacular proportions Prominent among the measures taken is the EU Bank Recovery and Resolution Directive BRRD which together

with the Single Resolution Mechanism SRM and the Single Resolution Fund constitutes a crucial new pillar in the European Banking Union Practitioners searching for orientation in what can readily be perceived as a jungle have an urgent need for a clear and systematic description and analysis of these new rules which are sure to have a massive impact on bank business from this time on not only in Europe but also wherever European business is to be found The solidly grounded analysis in this important book sets the new rules under BRRD into their full context as cross border phenomena With its crystal clear explanation of key provisions procedures and triggers the book organises a highly complex legal system into patterns and action plans that can be applied in virtually any eventuality likely to arise in cases where bank business is of central significance Among the topics covered are the following entities covered by BRRD exceptions under BRRD objective and scope of BRRD tools bail in bridge bank sale of business asset separation asset quality reviews curing or mitigating the continuing problem of non performing loans new rules as response to lack of private solutions banks requirement to provide a minimum amount of eligible liabilities safety buffers to protect resolution need to be resolvable in a worst case leverage and liquidity ratios forced mergers market spillover effects of recovery planning group recovery planning effects of foreign law contracts and assets write down of capital instruments and special problems of cross border restructuring The presentation is enhanced by a comparative dimension which includes reference to United States and other national developments and a full scale analysis of Switzerland's regulatory response to the crisis Given that a full seamless global system of bank recovery and resolution has not yet been found and that major banks are global players headquartered in different jurisdictions and even different continents this book will greatly assist in the work of practitioners who must deal with cases involving international banking under the prevailing status quo Its usefulness to officials and academics in international banking and finance law and policy who are working towards a global solution is of incalculable value

Foreign Policies of EU Member States Amelia Hadfield, Ian Manners, Richard G. Whitman, 2017-06-14 Foreign Policies of EU Member States provides a clear and current overview of the motivations and outcomes of EU Member States regarding their foreign policy making within and beyond the EU It provides an in depth analysis of intra EU policy making and sheds light in an innovative and understandable way on the lesser known aspects of the inter EU and extra EU foreign policies of the twenty eight Member States The text has an innovative method of thematic organisation in which case study state profiles emerge via dominant foreign policy themes The text examines the three main policy challenges currently faced by the twenty eight Member States First EU Member States must cooperate within the mechanisms of the EU including the Common Foreign and Security Policy CFSP Second EU Member States continue to construct their own inter EU foreign policies Third the sovereign prerogative exercised by all EU Member States is to construct their own foreign policies on everything from trade and defence with the rest of the world This combination of clarity thematic structure and empirical case studies make this an ideal textbook for all upper level students of European foreign policy comparative European

politics and European studies Handbook of Terrorism and Counter Terrorism Post 9/11 David Martin Jones, Paul Schulte, Carl Ungerer, M.L.R. Smith, 2019-12-27 Almost two decades after the events of 9 11 this Handbook offers a comprehensive insight into the evolution and development of terrorism and insurgency since then Gathering contributions from a broad range of perspectives it both identifies new technological developments in terrorism and insurgency and addresses the distinct state responses to the threat of political or religiously motivated violence not only in the Middle East and Europe but also in Africa South and Southeast Asia and North and South America **Children's TV and Digital Media in the Arab World** Naomi Sakr, Jeanette Steemers, 2017-03-30 Who analyses children s screen content and media use in Arab countries and with what results Children defined internationally as under 18s account for some 40 per cent of Arab populations and the proportion of under fives is correspondingly large Yet studies of children s media and child audiences in the region are as scarce as truly popular locally produced media content aimed at children At the very time when conflict and uncertainty in key Arab countries have made local development and diversification of children s media more remote it has become more urgent to gain a better understanding of how the next generation s identities and worldviews are formed This interdisciplinary book is the first in English to probe both the state of Arab screen media for children and the practices of Arabic speaking children in producing as well as consuming screen content It responds to the gap in research by bringing together a holistic investigation of institutions and leading players children s media experiences and some iconic media texts With children s media increasingly linked to merchandising which favours US based global players and globalizing forces this volume provides a timely insight into tensions between differing concepts of childhood and desirable media messages

Murder in the Stacks David Dekok, 2014-09-02 On Nov 28 1969 Betsy Aardsma a 22 year old graduate student in English at Penn State was stabbed to death in the stacks of Pattee Library at the university s main campus in State College For more than forty years her murder went unsolved though detectives with the Pennsylvania State Police and local citizens worked tirelessly to find her killer The mystery was eventually solved after the death of the murderer This book will reveal the story behind what has been a scary mystery for generations of Penn State students and explain why the Pennsylvania State Police failed to bring her killer to justice More than a simple true crime story the book weaves together the events culture and attitudes of the late 1960s memorializing Betsy Aardsma and her time and place in history *The History of Oxford University Press: Volume IV* Keith Robbins, 2017-05-26 The story of Oxford University Press spans five centuries of printing and publishing Beginning with the first presses set up in Oxford in the fifteenth century and the later establishment of a university printing house it leads through the publication of bibles scholarly works and the Oxford English Dictionary to a twentieth century expansion that created the largest university press in the world playing a part in research education and language learning in more than 50 countries With access to extensive archives the four volume History of OUP traces the impact of long term changes in printing technology and the business of publishing It also considers the effects of wider

trends in education reading and scholarship in international trade and the spreading influence of the English language and in cultural and social history both in Oxford and through its presence around the world In the decades after 1970 Oxford University Press met new challenges but also a period of unprecedented growth In this concluding volume Keith Robbins and 21 expert contributors assess OUP's changing structure its academic mission and its business operations through years of economic turbulence and continuous technological change The Press repositioned itself after 1970 it brought its London Business to Oxford closed its Printing House and rapidly developed new publishing for English language teaching in regions far beyond its traditional markets Yet in an increasingly competitive worldwide industry OUP remained the department of a major British university sharing its commitment to excellence in scholarship and education The resulting opportunities and sometimes tensions are traced here through detailed consideration of OUP's business decisions the vast range of its publications and the dynamic role of its overseas offices Concluding in 2004 with new forms of digital publishing The History of OUP sheds new light on the cultural educational and business life of the English speaking world in the late twentieth century
