English Victorian Poetry An Anthology:

The Broadview Anthology of Victorian Poetry and Poetic Theory Thomas J. Collins, Vivienne J. Rundle, 1999-08-17

The Broadview Anthology of Victorian Poetry and Poetic Theory is the most comprehensive collection of poetry from the period ever published. Included are generous selections from the work of all major poets and a representation of the work of virtually every poet of significance from Thomas Ashe at the beginning of the era to Charlotte Mew at its end. The work of Victorian women poets features very prominently with extensive selections not only from canonical poets such as Elizabeth Barrett Browning and Christina Rossetti but also from poets such as Augusta Webster for which high claims have recently been made by critics. The anthology reflects and will contribute to the ongoing reassessment of the canon that is central to English Studies today. In all sixty-six poets are represented. The editors have included complete works wherever feasible including the complete texts of Tennyson's *In Memoriam* and of a number of other long poems. A headnote by the editors introduces the work of each poet and each selection has been newly annotated. The inclusion of twenty-five selections of the poetic theory from the period is an important feature rounding out the anthology. This anthology is also available in a concise edition.

English Victorian Poetry Paul Negri, 2012-03-02 Over 170 beloved poems by the major poets of the 19th century including works by Tennyson, Browning, Arnold, Rossetti, Meredith, Swinburne, Hopkins, Kipling and others. An introduction and biographical notes on the poets are included.

AHH Each poet is introduced by a biographical headnote. Each poem is introduced by a headnote giving publication details, biographical facts, contextual material and other information. The poems themselves are all fully annotated. Extensive introductory material enables readers to read across the volume chronologically, thematically or by individual author. Features twelve black and white illustrations of images referred to in or relevant to the poetry.

Working-Class Women Poets in Victorian Britain Florence S. Boos, 2008-06-12 Though working class women in the nineteenth century included many accomplished and prolific poets, their work has often been neglected by critics and readers in favour of comparable work by men. Questioning the assumption that few poems by working class women had survived, Florence Boos set out to discover supposedly lost works in libraries, private collections and archives. Her years of research resulted in this anthology. *Working Class Women Poets in Victorian Britain* features poetry from a variety of women including an itinerant weaver, a rural midwife, a factory worker protesting industrialization and a blind Scottish poet who wrote in both the Scots dialect and English. In addition to biographical information and contemporary reviews of the poets' work, the anthology also includes several photographs of the poets, their environment and
