Hassankhan, 2020-11-01 The age of imperialism ushered in a new phenomenon of large scale organized migration of labourers through the systems of slavery and indenture which were devised to feed the colonial political economy Another feature of such migrations was that it led to the permanent settlement of the uprooted African and Asian labourers in the new lands These developments in the long run intertwined the histories of the ruler and the ruled the so called civilized and the uncivilized along with the people from various continents thus giving rise to plural societies The narratives however remained dominated by the colonial legacies and frames of reference Today such historical colonial narratives are being challenged and clarified through multi disciplinary academic engagements The authors in this volume take gender as a prominent analytical category and raise new questions and understandings in the way we conceptualize document and write about gendered migrations in the diaspora Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Journal and Proceedings of the Asiatic Society of Bengal** Asiatic Society (Kolkata, India), 1929 Includes indexes to Numismatic supplements Dangerous Sex, Invisible Labor Prabha Kotiswaran, 2011-07-05 Popular representations of third world sex workers as sex slaves and vectors of HIV have spawned abolitionist legal reforms that are harmful and ineffective and public health initiatives that provide only marginal protection of sex workers rights In this book Prabha Kotiswaran asks how we might understand sex workers

demands that they be treated as workers She contemplates questions of redistribution through law within the sex industry by examining the political economies and legal ethnographies of two archetypical urban sex markets in India Kotiswaran conducted in depth fieldwork among sex workers in Sonagachi Kolkata s largest red light area and Tirupati a temple town in southern India Providing new insights into the lives of these women many of whom are demanding the respect and legal protection that other workers get Kotiswaran builds a persuasive theoretical case for recognizing these women s sexual labor Moving beyond standard feminist discourse on prostitution she draws on a critical genealogy of materialist feminism for its sophisticated vocabulary of female reproductive and sexual labor and uses a legal realist approach to show why criminalization cannot succeed amid the informal social networks and economic structures of sex markets Based on this Kotiswaran assesses the law s redistributive potential by analyzing the possible economic consequences of partial decriminalization complete decriminalization and legalization She concludes with a theory of sex work from a postcolonial materialist feminist perspective      *Encyclopedia of Domestic Violence and Abuse* Laura L.
