

Shape Poems

Sometimes it is fun to play with words to create the shapes of words in poems. Shape poems provide an opportunity for this type of experiment at any grade level.

A shape poem follows the outline of a picture of the poem's subject.

Writing Shape Poems

- While most are very young, students can be successful writing shape poems. The experienced poet or teacher may need some help writing the poem around the shape.
- Pages 43–45 provide three levels of shape poem writing lessons. Use the lesson that seems most appropriate for your students.
- Pages 75–79 are reproducible forms students can use for additional practice.
