Press Summary - Illinois Information Service Illinois Information Service,1986      **The Master Plan** Mike Ingram,2012

There are two ways to live life By Accident or On Purpose By accident means that there is no vision no plan and no team to help make things happen But since nothing actually needs to happen it doesn't really matter On purpose means there is a higher calling to pursue An underlying design that is significant a vision that is clear a plan that is defined and a dedicated team that is willing to follow a committed leader In this case everything matters because something worthwhile and meaningful is about to happen Mike Ingram has spent a lifetime figuring out how this all works The Master Plan takes all the pieces of success and fits them all together in a perfect picture of what your future could look like Some parts of this book apply to your career some to your relationships and some to your personal life But if you desire a complete and rewarding life you'll want to incorporate these principles in your personal master plan Join Mike on a personal journey filled with hope humor and triumph and prepare to be inspired **BOOK JACKET      The Hard Thing About Hard Things** ,2017      Ben Horowitz's the Hard Thing About Hard Things ,2016 This is a Summary of Ben Horowitz's The Hard Thing About Hard Things Building a Business When There Are No Easy Answers Ben Horowitz cofounder of Andreessen Horowitz and one of Silicon Valley's most respected and experienced entrepreneurs offers essential advice on building and running a startup practical wisdom for managing the toughest problems business school doesn't cover While many people talk about how great it is to start a business very few are honest about how difficult it is to run one Ben Horowitz analyzes the problems that confront leaders every day sharing the insights he's gained developing managing selling buying investing in and supervising technology companies A lifelong rap fanatic he amplifies business lessons with lyrics from his favorite songs telling it straight about everything from firing friends to poaching competitors cultivating and sustaining a CEO mentality to knowing the right time to cash in Filled with his trademark humor and straight talk The Hard Thing About Hard Things is invaluable for veteran entrepreneurs as well as those aspiring to their own new ventures drawing from Horowitz's personal and often humbling experiences Available in a variety of formats this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 304 pages You get the main summary along with all of the benefits and lessons the actual book has to offer This is a summary that is not intended to be used without reference to the original book      **How to Become Extremely Successful in Business Management, Personal Management, and Family Budget Planning** Udo F. Ufomadu,2004 This book actually celebrates the integration of motivational theories success theories and wisdom understanding theories It is a step by step approach on how to start and manage your business how to plan and budget for your family and how to become successful as a person The last chapter contains quotes created by the author that cover all spectrums of life The book is meant to help you upgrade yourself upgrade family resources and upgrade your business The work is very encouraging and uplifting It gives insight into problem solving resources that actually exist but have been

overlooked or taken for granted It did more than tell one to mow the lawn for example without giving the resources like lawn mower or grass cutter to do the job It shows one how to develop enough personal power and eliminate self defeating methods of growth and doing business The fine analysis of the spiritual and the natural settings will compel you to recharge your self confidence and boost up your achievement level Furthermore this book persuades you to take a hard look at what success really means to you and encourages you to motivate your efforts toward reaching a realistic goal You will develop new strategies for success build an unimaginable level of confidence and elevate your problem solving and decision making skills You will learn how to shape your management style to fit a particular problem that you want to solve and not basing your approach on some sort of assumed or speculative circumstances As a matter of fact the best in you will come out and manifests itself by you new improvements new ways of thinking and new ways of doing things More importantly the book reminds you through series of analogical paradigms that success without wisdom from God in your life is like a water tank with an invisible leak When you wake up in the morning the water in your tank is gone and you cannot tell how or why
