Evernote For Pc Guide:

What You Should Learn or Know About Evernote David Blaine, 2013-12-09 Evernote is a program that makes things much simpler for you. It allows you to keep track of things from the most important to the least by using the internet, tablet, phone, and computer. What the reader will learn from *Evernote: What You Should Learn or Know About Evernote* is that Evernote is more of a guide that allows the user to organize your life in a virtual space. The tool is pretty easy to use, and once the use of it is mastered, things will become that much easier to keep track of. Evernote is the replacement for all those bulky diaries that were once in use. It is simple for the business person, student, journalist, or any other individual to simply use the application to log important things.

Evernote For Dummies David E. Y. Sarna, 2013-09-03 The fun and easy guide to using Evernote for everything that's noteworthy. Voicemail, email, things to do, things to get, people you know, places you've been, places to be. Who can remember it all? You can with Evernote. Evernote is a free suite of software and services that makes it easy to remember things big and small using your computer, phone, tablet, and the web. If you can see it or think of it, Evernote can help you remember it. Type a text note. Clip a web page. Snap a photo. Grab a screenshot. Evernote makes it easy to keep track of it all, and *Evernote For Dummies* makes Evernote even easier. Written in the fun and informative *For Dummies* style, *Evernote For Dummies* introduces you to the key features of Evernote from getting started and opening your own Evernote account to the essentials of capturing information and creating a simple text note. The book shows you how to capture everything: clip a web page, create a voice note, scan a note, even capture a note from a picture. Author David Sarna reveals the secrets of letting Evernote help you organize all your information, including how to synchronize, import, export, and merge notes, and store to-do lists, business cards, even items from Facebook and Twitter, plus find it all superfast. *Evernote For Dummies* makes it easy to use Evernote everyday. Explains how to download and install Evernote on all your devices, open an account, create notes, clip a web page, save a photo, grab a screenshot, even collect items from social media like Facebook and Twitter. Shares tips on organizing your information by using tags or different notebooks and on finding what you need, even printed and handwritten text inside images, fast. Includes advice on enhancing Evernote with third-party applications, troubleshooting common problems, and more. Unless you're an elephant who never forgets, you'll want to remember *Evernote For Dummies*, the most useful guide to the program that remembers it for you.
