Stonebrook Cottage Carla Neggers, 2018-07-16 A Texas Ranger and a Connecticut lawyer are on the trail of a vicious killer in the New York Times bestselling author's romantic suspense After building a career as a defense attorney in New England Kara Galway has moved back to Texas in search of peace But her thoughts return to the east coast when her friend and mentor Connecticut Governor Mike Parisi is murdered And the danger is far from over As soon as Kara's friend Allyson is sworn in as the new governor she and her family are targeted with mysterious threats Now Kara is on her way back to Connecticut returning to a dangerous world of political corruption determined to catch a killer But she's not alone Texas Ranger Sam Temple is on her trail And while Kara never asked for his help he's equally determined to keep her safe

Hackers Tom Jackson, 2019-10-15 What are hackers Are they good Bad What can we do to protect ourselves businesses and society against hackers How can we control them And should we try Get the facts and make up your own mind on these and more questions with Hackers part of the new What's the Issue series Should states be allowed access to all communications What level of privacy should an individual expect Who owns the Internet In this fascinating starting point to understanding the wider subject of the Internet and Internet safety explore these questions through topics like Spying Encryption Security Hacking techniques Cyber warfare Cryptocurrencies The Dark Web The What's the Issue series tackles engaging thought provoking subjects chosen from the headlines and public debates What's the Issue asks what's all the fuss about presents the key facts reviews what s at stake in each case and weighs the pros and cons The goal of the series is to help young people understand difficult concepts provide them with the tools to inform their own opinions and help them to see and influence changes within our society **Relegation** Karri Thompson, 2018-06-04 The end is near and I m fated to save humanity I m feared yet revered The presidents are leery of me but I ve read the files And I know the truth at least I think I do And I m the one who is going to tell the clones They deserve to know Michael and I have been forced to fight to kill We ll do anything to keep our daughters safe and free But we can t do it alone There's a rumor about a secret society eager for battle and we re going to find them Help them end the government's corruption It's my duty my calling as the first mother of the new world I want to create This started with me and that s where it s going to end Karen Zacarías: Plays One Karen Zacarías, 2019-04-30 The first collection of plays from the critically acclaimed Karen Zacar as one of the ten most produced playwrights in the USA Contains the plays Native Gardens The Book Club Play Destiny of Desire The Book Club Play A hit comedy about books and the people who love them When the members of a devoted book club become the subjects of a documentary filmmaker and accept a provocative new member their long standing group dynamics take a hilarious turn Sprinkled with wit joy and novels galore Destiny of Desire On a stormy night in Bellarica Mexico two baby girls are born one into a life of privilege and one into a life of poverty When the newborns are swapped by a former beauty gueen with an insatiable lust for power the stage is set for two outrageous misfortunes to grow into one remarkable destiny Karen Zacar as

infuses the Mexican telenovela genre with music high drama and burning passion to make for a fast paced modern comedy Native Gardens You can t choose your neighbors In this brilliant new comedy cultures and gardens clash turning well intentioned neighbors into feuding enemies Pablo a rising attorney and doctoral candidate Tania his very pregnant wife have just purchased a home next to Frank and Virginia a well established D C couple with a prize worthy English garden But an impending barbeque for Pablo's colleagues and a delicate disagreement over a long standing fence line soon spirals into an all out border dispute exposing both couples notions of race taste class and privilege The New Revelation: Zemfira Minaeva, Since ancient times man has used the trial and error method as the only available way of making decisions on all aspects of his life According to scientific data the trial and error method actually implies 99 99% mistakes This means that on average only one out of 10 000 attempts made by man is successful Such a poor efficiency does not leave human society with any chance to cope with the fast escalating challenges and threats of our time This book contains information on the groundbreaking discoveries that fundamentally alter our conception of the world and human capabilities By unifying science and religion the author of these discoveries has managed to develop inter alia a scientifically proven alternative to the trial and error method This new method of decision making demonstrates how to make each of man's trials successful and thereby increase the efficiency of any activity including spiritual dramatically up to 10 000 times For the first time in history humanity can be transfigured spiritually Mt 17 2 by using the extraordinary potential of the new knowledge This is the only way to intellectual and technological breakthroughs that can lead the world community to unprecedented prosperity and harmony instead of the abomination of desolation at the end of the age Mt 24 14 15 Dead Over Heels Alison Kemper, 2014-09-29 The end of the world just might be their perfect beginning Glenview North Carolina Also known at least to sixteen year old Ava Pegg as the Land of Incredibly Boring Vacations What exactly were her parents thinking when they bought a summer home here Then the cute but really annoying boy next door shows up at her place in a panic hollering something about flesh eating zombies attacking the town At first Ava s certain that Cole spent a little too much time with his head in the moonshine barrel But when someone or something rotted and terrifying emerges from behind the woodpile Ava realizes this is no hooch hallucination The undead are walking in Glenview and they are hungry Panicked Ava and Cole flee into the national forest No supplies no weapons Just two teenagers who don't even like each other fighting for their lives But that s the funny thing about the Zombpocalypse You never know when you ll meet your undead end Or when you ll fall dead over heels for a boy **Lux: Opposition** Jennifer L. Armentrout, 2014-08-05 Don t miss Opposition the fifth and final book in Jennifer L Armentrout's bestselling Lux series A thrilling ride from start to finish says RT Book Reviews Opposition Katy knows the world changed the night the Luxen came She can t believe Daemon stood by as his kind threatened to obliterate every last human and hybrid on Earth But the lines between good and bad have blurred Daemon will do anything to save those he loves even if it means betrayal But when it quickly becomes impossible to tell friend from foe and the world is

crumbling around them they may lose everything to ensure the survival of their friends and mankind Want to read the LUX series on your ereader Each book is sold individually in e format 1 Obsidian 2 Onyx 3 Opal 4 Origin 5 Opposition Prequel novella Shadows The Elder Wisdom Circle Guide for a Meaningful Life Doug Meckelson, 2007-10-30 Life Lessons For Any Age Embodying the adage age is wisdom the Elder Wisdom Circle is a group of volunteer senior citizens nationwide who offer sage advice for life s big and small moments Insightful surprising and inspirational their guidance will put you on a path to a more purposeful and fulfilling life at any age Learn from them as they answer questions such as How do I know my fianc is The One How can I improve my relationship with my stepchild When should I talk to my child about sex How do I make time for spirituality in my overloaded schedule Should I accept a secure job if it isn t my passion How do I maintain a positive attitude as I grow older and face new obstacles How do I tell my partner I d like to spice up our sex life No topic is off limits for these Elders as they prove that the best advice comes from life experience Donna of the Dead Alison Kemper, 2014-03-04 Donna Pierce might hear voices but that doesn't mean she's crazy Probably The voices do serve their purpose though whenever Donna hears them she knows she s in danger So when they start yelling at the top of their proverbial lungs it s no surprise she and her best friend Deke end up narrowly escaping a zombie horde Alone without their families they take refuge at their high school with the super helpful nerds the bossy head cheerleader and best of all Liam hottie extraordinaire and Donna's long time crush When Liam is around it's easy to forget about the moaning zombies her dad's plight to reach them and how weird Deke is suddenly acting toward her But as the teens numbers dwindle and their escape plans fall apart Donna has to listen to the secrets those voices in her head have been hiding It seems not all the zombies are shuffling idiots and the half undead aren t really down with kids like Donna Ascendancy Karri Thompson, 2015-11-30 I ll never let them control me I ve been lied to deceived and manipulated again You d think I d be treated with dignity and respect I m the one who s supposed to save humanity right I m the one with the power to re populate this dying world But the clones want to control me force me to give birth over and over again And my daughters will face the same fate unless I change it My awakening into this future should have been a chance for a new life but it just promises a living death With Michael on my side though maybe I can save us He s the only person I can trust I hear rumors of others A secret society is growing Tension is building A rebellion is imminent **SUCCEED** AGENDRA RANA, 2023-09-30 Success is an excellent acquired quality of a person to sustain a strong spirit which can willfully overpower the dictums of mind Even if a person possesses good physical strength treasures of wealth and other resources recognition among prominent personalities but lack of self confidence fails to provide the desired success Every person belonging to any age religion or caste has an earnest desire to seek the achievements of the topmost level to command respect in the society Perfection in any task is difficult but it requires prolonged efforts Winning isn t about finishing in first place It isn t about beating the others It is about overcoming yourself overcoming your body your limitations and your fears Winning means surpassing

yourself and turning your dreams into reality Success hugs you in private but failure slaps you in public Better learn and determine to succeed in life **Securing the Digital Frontier** Andrew Martin, 2025-04-01 Cyber space is easily the most complex thing humans have ever created With billions of people and devices all connected together vulnerability and compromise are inevitable. The complexity continues to grow and with it comes the emergent insecurity brought by an ever developing frontier where digital devices and connected people meet Security challenges present themselves increasingly often and with ever greater impacts This is not going to change anytime soon Although the internet has transformed communication business and social life for the better the construct of cyber space is incredibly fragile and presents endless risk Connecting every corner of our lives to those of billions across the world the frontier is slender between the good and the bad benefit and catastrophe real and fake security and insecurity Cyber security advice can be confusing contradictory and sometimes utterly detached from reality Too easily people feel guilty for not knowing what to do or failing to live up to expectations People particularly business leaders and policy makers must daily make security sensitive decisions sometimes unknowingly without being security experts Securing the Digital Frontier doesn t offer easy answers but instead explains sixteen dimensions of this dynamic problem and its current partial solutions. The strong technology of encryption has become commonplace and is a huge benefit if deployed well but how can you tell Programming errors give rise to security problems but why can we not eliminate them Privacy is tied up with security but can the two work against each other Cyber space is international how can domestic laws protect us And what happens when those laws come into conflict with technologies like encryption Why do you need a punctuation symbol and a capital letter in your password anyway Through a grasp of the big picture through technical and human perspectives we can begin to explore ways to unwind some of the complexity and find <u>Deep Green Resistance</u> Derrick Jensen, Aric McBay, Lierre Keith, 2011-01-04 For years Derrick ways to contain the risk Jensen has asked his audiences Do you think this culture will undergo a voluntary transformation to a sane and sustainable way of life No one ever says yes Deep Green Resistance starts where the environmental movement leaves off industrial civilization is incompatible with life Technology can t fix it and shopping no matter how green won t stop it To save this planet we need a serious resistance movement that can bring down the industrial economy Deep Green Resistance evaluates strategic options for resistance from nonviolence to guerrilla warfare and the conditions required for those options to be successful It provides an exploration of organizational structures recruitment security and target selection for both aboveground and underground action Deep Green Resistance also discusses a culture of resistance and the crucial support role that it can play Deep Green Resistance is a plan of action for anyone determined to fight for this planet and win

<u>Creating Change</u> Lisa M. Najavits,2024-06-17 This flexible evidence based manual offers counselors a gentle compassionate approach to help people with trauma addiction or both explore their past Creating Change guides clients to understand how trauma and addiction arose over time grieve losses and regrets create a new perspective on their life story

and take pride in their survival The manual has 23 topics that can be implemented in any order with individuals or groups Topics include Relationship Patterns Break the Silence Deepen Your Story Darkness and Light Emotions and Healing and Influences Family Community Culture Creating Change can be implemented with any other treatment including the author's present focused model Seeking Safety The book has a convenient large size format and includes 70 reproducible handouts many of which can be downloaded and printed at the companion website See also Seeking Safety A Treatment Manual for PTSD and Substance Abuse and the self help guide Finding Your Best Self Revised Edition Recovery from Addiction Trauma or Both an ideal client recommendation Call for Leadership Marty Zimmerman, Brad Johnson, 2018-03-12 This book describes leadership best practice and thinking through patterns of feedback offered to leaders by their employees and peers and through conversations and stories of people keenly aware of the distinctions that more often spell out authentic leadership practice **The Fallen Angel** Daniel Silva, 2012-07-17 After narrowly surviving his last operation Gabriel Allon the wayward son of Israeli intelligence has taken refuge behind the walls of the Vatican where he is restoring one of Caravaggio s greatest masterpieces But early one morning he is summoned to St Peter s Basilica by Monsignor Luigi Donati the all powerful private secretary to His Holiness Pope Paul VII The body of a beautiful woman lies broken beneath Michelangelo s magnificent dome The Vatican police suspect suicide though Gabriel believes otherwise So it seems does Donati But the monsignor is fearful that a public inquiry might inflict another scandal on the Church and so he calls upon Gabriel to quietly pursue the truth with one caveat Rule number one at the Vatican Donati said Don t ask too many questions Gabriel learns that the dead woman had uncovered a dangerous secret a secret that threatens a global criminal enterprise that is looting timeless treasures of antiquity and selling them to the highest bidder But there is more to this network than just greed A mysterious operative is plotting an act of sabotage that will plunge the world into a conflict of apocalyptic proportions An intoxicating blend of art intrigue and history The Fallen Angel moves swiftly from the cloistered chambers of the Vatican to the glamorous ski slopes of St Moritz to the graceful avenues of Berlin and Vienna and finally to a shocking climax beneath the world's most sacred and contested parcel of land Each setting in this extraordinary novel is rendered with the care of an Old Master as are the spies lovers priests and thieves who inhabit its pages It is a story of faith and of the destructive power of secrets and an all too timely reminder that those who cannot remember the past are condemned to The Posillipo Enigma Cristiano Luchini, 2023-05-09 The School of Posillipo nestled atop a hill overlooking the repeat it Gulf of Naples was founded to nurture inner peace and an appreciation of nature But when its founder Sirone a renowned Epicurean philosopher meets a sudden and mysterious end his friend Virgil begins investigating the enigmatic villa and its secrets As Virgil delves deeper into the villa s hidden chambers and coded messages he unearths a web of intrigue that threatens to consume him as well Navigating layer upon layer of deception Virgil must seek the truth amidst conspiracies even questioning those closest to him The narrative transports readers to an exotic realm of mystery set against the

picturesque backdrop of the Bay of Naples and Mount Vesuvius The privileged view from the villa s garden disguises a labyrinth of peril revealing sinister secrets only by piecing together clues and penetrating veiled intentions Virgil's search for answers unfolds with mounting suspense testing his courage intellect and determination as he seeks both justice for his friend and the school's very survival The investigation ultimately draws him into confronting a dangerous conspiracy that threatens to undermine the idvllic setting and philosophical foundations of the School of Posillipo Finding Forever Ken Baker, 2015-09-08 In this YA series Brooklyn Brant is a celebrity news blogger dying to have her big break Her blog Deadline Diaries features the clickbait hook ups break ups and screw ups of the Hollywood glitterati but she has yet to nab the one juicy scoop that will establish her as the ultimate insider Actress Taylor Prince is America's sweetheart beautiful talented successful and sober With a Golden Globe win Oscar nom clothing and fragrance line and too many magazine covers to count Taylor is ready to celebrate her sixteenth birthday with a big poolside bash However she is not prepared for a police raid and blacking out in the arms of a dangerously handsome stranger Brooklyn is called by Taylor's assistant to locate the missing starlet under the radar and on a very tight deadline And she will need both her sleuthing and journalistic skills to solve the mystery and get the story of a lifetime In this suspenseful dual narrative thriller alternating between the perspectives of Brooklyn and Taylor author Ken Baker uses his in depth experience with celebrity journalism and behind the scenes truths to explore the ugly underbelly of Hollywood's obsession with finding the ever elusive fountain of youth Excerpt Sources are to a news breaking blogger what water is to a plant Everything but the sun Joss Whedon, Anarchist? James Rocha, Mona Rocha, 2019-07-25 Joss Whedon has created numerous TV series movies comics and one sing along blog all of which focus on societal problems in the metaphorical guise of monsters of the week and over arching big bads The present work examines structural violence through interdimensional law firm Wolfram Hart's legal representation of evil We explore the limits of consent through the Rossum Corporation's coercion and manipulation We rehearse the struggle to find meaningful freedom from the crew of Serenity This book traces a theme of anarchist theory through the multiple strings of the Whedonverse all of his works show how ordinary heroes can unite for the love of humanity to save the world from hierarchy and paternalism

Knowing and Not Knowing in Intimate Relationships Paul C. Rosenblatt, Elizabeth Wieling, 2013-07-25 In the extensive literature on couples and intimacy little has been written about knowing and not knowing as people experience and understand them Based on intensive interviews with thirty seven adults this book shows that knowing and not knowing are central to couple relationships They are entangled in love sexual attraction trust commitment caring empathy decision making conflict and many other aspects of couple life Often the entanglement is paradoxical For example many interviewees revealed that they hungered to be known and yet kept secrets from their partner Many described working hard at knowing their partner well and yet there were also things about their partner and their partner s past that they wanted not to know This book s qualitative phenomenological approach builds on and adds to the largely quantitative social psychological

communications and family field literature to offer a new and accessible insight into the experience of intimacy
