The Works of the Most Reverend Dr. John Tillotson ... John Tillotson,1717 **Expositions of the Psalms 99-120 (vol. 5)** Saint Augustine,1990 As the psalms are a microcosm of the Old Testament so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought In the Book of Psalms are to be found the history of the people of Israel the theology and spirituality of the Old Covenant and a treasury of human experience expressed in prayer and poetry So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine s personal life his theological reflections and his pastoral concerns as Bishop of Hippo Publisher s website **The Wonderful Decree** Travis James Campbell,2020-01-03 Unconditionally loving Sovereign over all How can God be sovereign over all things and loving towards all people while His creatures possess real freedom and responsibility for their choices Theologians have wrestled with this question for centuries But have our attempted solutions made the problem worse In *Wonderful Decree* Travis James Campbell suggests we cannot solve the problem by sacrificing either divine sovereignty and goodness on one hand or human responsibility on the other While considering Arminian and Molinist alternatives he concludes that the traditional Augustinian and Calvinist approach best allows these truths to remain in a healthy and biblically faithful tension Inspired by the example of Spurgeon who preferred biblical mystery over human solutions Campbell encourages readers to trust even delight in the harmony of God s love for all and sovereignty over all
