
“He’ll Be Back!”

Kids Bible Lesson on the Ascension from
Luke 24:44-53; Acts 1:1-11

He’ll Be Back! “In Home” Sunday School Suggestions for the Ascension of Jesus

Up, up, and away...the celebration of the Ascension takes place forty days after Easter, by the church calendar.

Jesus rose from the grave, and after appearing to disciples, rose into Heaven. Why is this important? The Ascension reminds us of who Jesus was, and also brings to mind the importance of how He has gone to prepare a place for us. We await His return, but know that He is with us still in the meantime.

Lesson focus: Jesus gave us special promises prior to His departure for Heaven. He went up to be with God the Father, but He will return someday. We can await that, but can also spread His love to others around us. This lesson looks at the event and promises of the Ascension. Have fun exploring some “science experiments” as well as thought-provoking questions.

Passage: Luke 24:44-53; Acts 1:1-11

Target Audience: Kindergarten-6th grade (or whoever you might have at home!)

Materials Needed: Cotton balls, balloons, raisins, Alka-Seltzer, beanbags, Bible (all optional, depending which activities you choose to use—except for the Bible, you need that for sure).

Paterson Smyth, This series of books is intended for two classes of teachers 1 For Teachers in Week Day and Sunday Schools For these each book is divided into complete lessons The lesson will demand preparation Where feasible there should be diligent use of commentaries and of any books indicated in the notes As a general rule I think the teacher should not bring the book at all to his class if he is capable of doing without it He should make copious notes of the subject The lesson should be thoroughly studied and digested beforehand with all the additional aids at his disposal and it should come forth at the class warm and fresh from his own heart and brain But I would lay down no rigid rule about the use of the Lesson Book To some it may be a burden to keep the details of a long lesson in the memory and provided the subject has been very carefully studied the Lesson Book with its salient points carefully marked in coloured pencil may be a considerable help Let each do what seems best in his particular case only taking care to satisfy his conscience that it is not done through laziness and that he can really do best for his class by the plan which he adopts 2 For Parents who would use it in teaching their children at home They need only small portions brief little lessons of about ten minutes each night For these each chapter is divided into short sections I should advise that on the first night only the Scripture indicated should be read with some passing remarks and questions to give a grip of the story That is enough Then night after night go on with the teaching taking as much or as little as one sees fit **Proper Lessons for the Sundays and Holy Days Throughout the Year** Episcopal Church,1857 **Select Notes on the International Sunday School Lessons ...**,1891 **Select Notes** Francis Nathan Peloubet,1891 **Simple lessons for the use of teachers in infant Sunday schools** Edith Emily Baker,1885 **Teaching Children as the Spirit Leads** Karen J.
