and strategies from real teachers who teach language arts in grades 6-12. These teachers not only developed the materials and used them in their own classes but they also provided useful feedback and comments about the activities. The strategies included in the book are: tiered lessons, cubing, graphic organizers, exit cards, learning contracts, and choice boards. Every strategy includes directions and offers opportunities for differentiation. Grades 6-12

**Leverage Leadership** Paul Bambrick-Santoyo, 2012-06-06 Paul Bambrick-Santoyo, Managing Director of Uncommon Schools, shows leaders how they can raise their schools to greatness by following a core set of principles. These seven principles or levers allow for consistent transformational and replicable growth. With intentional focus on these areas, leaders will leverage much more learning from the same amount of time investment. Fundamentally, each of these seven levers answers the core questions of school leadership: What should an effective leader do and how and when should they do it? Aimed at all levels of school leadership, the book is for any principal, superintendent, or educator who wants to be a transformational leader. The book includes 30 video clips of top-tier leaders in action. These videos bring great schools to you and support a deeper understanding of both the components of success and how it looks as a whole. There are also many helpful rubrics, extensive professional development tools, calendars, and templates. Explores the core principles of effective leadership. Author's charter school, North Star Academy in Newark, New Jersey, received the highest possible award given by the U.S. Department of Education, the National Blue Ribbon. Print version includes an instructive DVD with 30 video clips to show how it looks in real life. E-book customers please note that details on how to access the content from the DVD may be found in the e-book Table of Contents. Please see the section How to Access DVD Contents. Bambrick-Santoyo has trained more than 1,800 school leaders nationwide in his work at Uncommon Schools and is a recognized expert on transforming schools to achieve extraordinary results.

*Masculinity and Aspiration in an Era of Neoliberal Education* Garth Stahl, Joseph Nelson, Derron Wallace, 2017-03-16 This collection investigates the ways in which boys and young men negotiate neoliberal discourse surrounding aspiration and how neoliberalism shapes their identities. Expanding the field of masculinity studies in education, the contributors offer international comparisons of different subgroups of boys and young men in primary, secondary, and university settings. A cross-sectional analysis of race, gender, and class theory is employed to illuminate the role of aspiration in shaping boys' identities, which adds nuance to their complex identity work in neoliberal times.
