purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God

The Allure of Toxic Leaders Jean Lipman-Blumen, 2006 Toxic leaders both political like Slobodan Milosevic and corporate like Enron's Ken Lay have always been with us and many books have been written to explain what makes them tick Here leadership scholar Jean Lipman Blumen explains what makes the followers tick exploring why people will tolerate and remain loyal to leaders who are destructive to their organizations their employees or their nations Why do we knowingly follow seldom unseat frequently prefer and sometimes even create toxic leaders Lipman Blumen argues that these leaders appeal to our deepest needs playing on our anxieties and fears on our yearnings for security high self esteem and significance and on our desire for noble enterprises and immortality She also explores how followers inadvertently keep themselves in line by a set of insidious control myths that they internalize For example the belief that the leader must necessarily be in a position to know more than the followers often stills their objections In addition outside forces such as economic depressions political upheavals or a crisis in a company can increase our anxiety and our longing for charismatic leaders Lipman Blumen shows how followers can learn critical lessons for the future and survive in the meantime She discusses how to confront reform undermine blow the whistle on or oust a toxic leader And she suggests how we can diminish our need for strong leaders identify reluctant leaders among competent followers and even nurture the leader within ourselves Toxic leaders charm manipulate mistreat weaken and ultimately devastate their followers The Allure of Toxic Leaders tells us how to recognize these leaders before it's too late
