ordered world He was a man driven by ambition his company his sole focus his image meticulously crafted and fiercely guarded She was a woman driven by love her life dedicated to the children who shared her past their well being her only concern How could these two worlds collide What unforeseen circumstances could possibly bind them together in the unholy union of a contract marriage What hidden agendas lurked beneath the surface threatening to shatter the fragile agreement Could love ever blossom in such barren ground or would the icy grip of their opposing natures forever keep them apart And when the dust settled when the terms of their arrangement had expired would they emerge as a couple forged in the fires of adversity or would they simply fade back into the anonymity of strangers their paths diverging once more into the vast unknown
