His Captive Miracle:

The Seventeen Second Miracle Jason F. Wright, 2010-09-28 From the New York Times bestselling author of *The Wednesday Letters* and *The Cross Gardener* a story of small kindnesses and life changing miracles Seventeen seconds can change a life forever This is what Rex Connor learned on a gorgeous summer afternoon in 1970 when as a lifeguard he diverted his gaze for seventeen seconds and tragedy occurred Forty years later the waves of that day still ripple through the lives of countless people including his son Cole Cole Connor has become a patient teacher and now he has invited three struggling teenagers to visit him on his front porch to learn about Rex Connor and the Seventeen Second Miracle Together they will learn how Rex Connor could have allowed seventeen seconds to destroy him but instead he chose to live every day believing the smallest of acts could change the world for good And the students each with their own secrets and private pains will begin to understand that even tragedy brings lessons Even pain brings comfort Even death brings miracles A seventeen second miracle can change a life if you let it

Dark Miracle Stephen R. George, 2016-08-27 Miracles were happening in Stanhope Minnesota Impossible cures amazing recoveries All due to a pool of pitch black water that had bubbled up mysteriously from the depths of the earth Sometimes it glowed with a beckoning light Sometimes it reflected only glittering darkness It always gave the gift of life but what would it demand in return Ten year old Allison Kent knew her parents hadn't really believed a dip in the famous pool would make her well again They were just pretending so she wouldn't be scared But it did work and she was better except for the cruel voices in her head that whispered of retribution and death And the dangerous uncontrollable powers she had over the world around her Lately she was afraid that whatever lived beneath the

water had healed her for an evil purpose all its own **Krishna Deities and Their Miracles** Stephen Knapp,2021-01-01 Krishna Deities and Their Miracles include traditional pastimes that have been recorded from years ago as well as those that are more recent It shows how great or even minor devotees can have experiences with Krishna as long as they have two qualities which is great faith and love A variety of situations are provided in these Book which shows the many ways that the Lord can reveal Himself and the favor that is shown by Him to those who worship Him **The miracles of Christ** Jesus Christ,1843 *Gleanings From Elisha, His Life and Miracles* A.W Pink,Rev Terry Kulakowski, Editor,2015-11-29 That Which Occupies the central and dominant place in what the Spirit has been pleased to record of the life of Elisha is the miracles performed by and connected with him Far more miracles were wrought by him or were granted in answer to his prayers than any other of the Old Testament prophets The character of Elisha s mission and ministry was in thorough keeping with Israel s condition at that time The very fact that these miracles were needed indicates the state into which Israel had fallen A W Pink unfolds the life and miracles of Elisha in 30 power packed Chapters of this famous Prophet of God *The Amazing Miracles* Anil Chandra,1998 A priest is asked by some villagers to give his blessings to a dying woman He does The woman revives miraculously A Few days later the blessings of the priest revive two other people an old man and a cripple What caused these miracles Only in the last paragraphs of The Amazing Miracles would one get the answer *The Miracles of our Lord* Edward Walker,2023-05-11 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Story of Jesus** Roy A. Harrisville,2020-08-28 This book written for college and seminary age students is the distillation of reflection on the life and career of Jesus of Nazareth for over three decades Such reflection needs no legitimizing since preoccupation with Jesus of Nazareth continues in one form or another till the present day The arrangement of the pieces and fragments which make up the mosaic in part pursue the usual chronological order as appears in most editions of the Bible But the interpretation of events within each sequence are this author s own In discussion with early or contemporary scholars the text may reflect agreement or disagreement but assumes the right to and responsibility for a specific point of view As indicated the book is a mosaic comprised of pieces and fragments It in no way intends to match the often massive attempts at describing Jesus of Nazareth that have been published over the centuries Like a mosaic it will show wear and tear but it will be sufficient to indicate to the reader precisely whose face appears amid all those fragments and pieces and enough to awaken reflection on his life and career **Miracles of Our Lord** George MacDonald,2019-11-22 In Miracles of Our Lord George MacDonald presents a profound exploration of Christ s miracles framing them not merely as supernatural acts but as transformative invitations to deeper faith and understanding Written in an accessible yet poetic prose MacDonald s narrative style seamlessly intertwines theological reflection with imaginative storytelling Set against the backdrop of Victorian spirituality this work is both a literary

achievement and a devotional resource that encourages readers to reflect on the mystical dimensions of belief and the human experience of the divine George MacDonald a pivotal figure in the development of modern fantasy literature was deeply influenced by his Calvinist upbringing and later spiritual discoveries His commitment to thoughtful engagement with Christian themes is evident in his prolific body of work which includes novels poems and essays MacDonald's vision of a God who is both accessible and intimately involved in the fabric of everyday life shapes the narrative and theological underpinnings of this book emphasizing the continuous relevance of Christ's works today I highly recommend *Miracles of Our Lord* to anyone seeking a deeper understanding of faith and the transformative power of divine intervention With its blend of literary grace and theological insight this book will not only challenge readers' perceptions of miracles but also inspire personal reflection and growth in their spiritual journeys *The Miracles of Christ*, 1844 **Miracles and**

Wonders Michael Goodich, 2007-01-01 In this absorbing book Michael Goodich explores the changing perception of the miracle in medieval Western society He employs a wealth of primary sources including canonization dossiers hagiographical texts theological treatises and sermons to examine the Christian church's desire to create a sounder legal definition of the miracle *The Life and Miracles of St. Benedict* Pope Gregory I, 1925 *The Miracle Ministry of John G. Lake* John G. Lake, 2023-09-05 Dare to Believe God for Greater Things You may have seen a few miracles or experienced breakthroughs in prayer but maybe it's time to take your faith to a new level of expectation Let these extraordinary testimonies and quotes from the life of Dr John G Lake inspire you to believe God for more than ever before In *Adventures in God* Lake *The King in His Beauty: Meditations on the Miracles of Christ* Michael Babcock, 2021-12-22 In the fullness of time God sent His only begotten Son Jesus to sit on David's throne as a conquering cosmic king He demonstrated His kingly power and wisdom in a variety of ways but none so spectacularly as by His many miracles These miracles vanquished demonic forces overcame nature removed the curse's sting and crushed the serpent's head through His resurrection from the dead However too often these miracles are only appreciated as historical events or as a compilation of isolated stories In *The King in His Beauty* Michael Babcock helps readers understand the relevancy of those miracles as redemptive signs that reveal the King in all His salvific splendor Each miracle is part of the grand message of new creation **Counting the Miracles: Jewish Thought,**

Mysticism, and the Arts from Late Antiquity to the Present Silvana Greco, Judith Olszowy-Schlanger, 2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual qabbalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio-historical context in which it was embedded it has in turn been a source of inspiration for the intellectual elite of the majority society In this regard the

volume will examine the fruitful mutual exchange between Jewish scholars and Christian humanists during the Renaissance. However, the life of Jews in the Diaspora did not always take place in a context of peaceful integration. It was punctuated by harsh confrontations and persecution. Finally, the book will illustrate how, precisely during the darkest and most tragic period of the 20th century, Jewish culture was an important tool of resistance and struggle against Nazi Fascism.
