## **His Unknown Wife:**

**His Unknown Wife** Louis Tracy, 2014-06-20 Louis Tracy 1863 1928 was a British journalist and prolific writer of fiction. He used the pseudonyms Gordon Holmes and Robert Fraser which were at times shared with M P Shiel a collaborator from the start of the twentieth century. Tracy is noted for his contribution to the mystery and romance genres. **His Unknown**

**Wife** Tracy Louis, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy. *His Unknown Wife* Louis Tracy, 2019-11-26 In *His Unknown Wife* Louis Tracy masterfully weaves a tale of mystery and romance exploring the complexities of identity and the consequences of secrets within the framework of early 20th century societal norms. The narrative intricately blends suspense and rich character development leading readers through a labyrinth of emotional and psychological conflicts. Tracy's prose is characterized by its vivid descriptions and intricate plotting, reflecting the literary trends of his time replete with the influences of adventure fiction and early psychological novels, making it a compelling read within the broader context of Edwardian literature. Louis Tracy, an English author known for his innovative storytelling, crafted this novel during a period of personal and societal upheaval. His extensive travels and experiences as a journalist in various countries undoubtedly informed his vivid portrayals of both character and setting. Having had a prolific writing career, Tracy's works often juxtapose personal exploration with broader social themes, which is epitomized in *His Unknown Wife* where themes of loss, love, and redemption play pivotal roles. I highly recommend *His Unknown Wife* to readers who appreciate a richly layered narrative that not only entertains but challenges the reader to reflect on the nature of relationships and the facets of human psychology. This novel stands as a testament to Tracy's narrative prowess and is a must-read for fans of literary mystery and early 20th century fiction. **His Unknown**

**Wife** Gordon Holme, 2018-07-04 *His Unknown Wife* by Louis Tracy Gordon Holmes Excerpt ry little farther to the left was the enclosed patio or courtyard in which he would be shot within thirty minutes. I'm dashed if I feel a bit like dying," he said as he strode by Steinbaum's side along the outer corridor. If the time was about fourteen hours later I might imagine I was going to a fancy dress ball though I wouldn't be able to dance much in these confounded boots.
