Historical Perspectives of the Operational Art Michael Detlef Krause, R. Cody Phillips, 2005 *Historical Perspectives of the Operational Art* Michael D Krause, 2010-05-03 First published in limited numbers in 2005 by the United States Army Center of Military History Contains an anthology of essays by historians and scholars who trace the origin and development of the operational level of warfare the critical link between strategy and tactics Includes essays about France Germany Russia and the Soviet Union and the United States Discusses 19th and 20th century wars mainly

Historical Perspectives of The Operational Art, May 17, 2005 Center of Military History, 2006*

The Evolution of Operational Art John Andreas Olsen, Martin van Creveld, 2011 Broadly defined as the grey area between strategy and tactics operational art spans the theory and practice of planning and conducting campaigns and major operations aimed at accomplishing strategic and operational objectives in a given theatre of operations An intermediate link between strategy and tactics has always existed but a distinct concept that encompasses a systematic and deliberate plan of campaign for major operations is a mere two hundred years old Based on country specific case studies this book describes how the concepts that underpin operational art originated how they received practical expression in various campaigns and how they developed over time The point of departure is the campaigns of the God of War Napoleon Bonaparte The book then proceeds with chapters on the evolution of operational art in Prussia Germany the Soviet Union Russia the United Kingdom United States Israel and China The final chapter deals with the future of operational art in irregular warfare Theory is critical to refining and improving existing methods of applying operational warfare and its importance cannot be overstated however to be useful theory and its accompanying vocabulary must be combined with a proper examination of historical trends and practical experience The present volume attempts to achieve that combination This book is a project of the Oxford Leverhulme Programme on the Changing Character of War

General Lewis Walt: Operational Art in Vietnam, 1965-1967 Major Jeremy G. Swenddal, 2015-11-06 This study investigates the significant effect of mobility counter mobility survivability and topographic engineering on the American Civil War Campaign of Chancellorsville The operations occurred near Fredericksburg Virginia in April and May of 1863 In the battle the Confederate Army of Northern Virginia decisively defeated the Union Army of the Potomac Engineer related considerations contributed immensely to the Confederate victory Engineer battlefield functions influenced the operations of both armies The Union Engineer Brigade constructed numerous pontoon bridges to overcome the river obstacles prior to and following the battle This capability allowed the Union Army to initially surprise and envelop the Confederate Army The natural obstacles of the rivers and forests and manmade obstacles of abatis hindered maneuver Survivability was a significant factor during the fighting At Chancellorsville the Confederates used entrenchments for the first time in open operations This strengthened their economy of force in front of the Union Army and gave Stonewall Jackson mass during his successful enveloping attack Finally topographic engineering was important through map production and reconnaissance by engineers This study concludes that the Confederate Army integrated the engineer battlefield functions more effectively than the Union Army In part this explains the decisive Confederate victory

Operational Art In The Korean War: A Comparison Between General MacArthur And General Walker Major Remco van Ingen, 2015-11-06 This monograph addresses operational art during a specific period of the Korean War Both General Walton Walker and General Douglas MacArthur developed operational approaches to unify Korea when the decision was made to cross the 38th parallel into North Korea General MacArthur's approach used two major ground commands was more daring but more complicated General Walker on the other hand suggested an approach under one unified ground

commander seemed more methodical and less daring Ultimately General MacArthur s approach was the one executed The X Corps amphibious assault did not bring the anticipated result The out loading of X Corps in preparation for the assault took longer than anticipated and the enemy had mined the sea approaches to Wonsan These two factors combined with an unsynchronized ground attack by I ROK Corps eliminated the chance of a successful envelopment The monograph provides insight in the relationship between the commander s personality his previous operational experiences and his preference for a particular type of operational approach

The Pharaohs early Practitioners of operational Art Ehab Elhadad,2023-09-21 Master s Thesis from the year 2023 in the subject World History Early and Ancient History grade A language English abstract This research suggests that the Egyptian Pharaohs during the New Kingdom applied operational art Accordingly theoreticians and practitioners should date the origins of operational art at least as early as Ancient Egypt The significance of this study is paramount as it expands the boundaries of military history by showing that the origins of operational art do not lie exclusively within nineteenth century military conflicts in Europe and America Additionally it proves that operational art is a timeless phenomenon and will continue to evolve and withstand the changing conditions of future warfare Instead of relating operational art to a specific country military scholars should put the pieces of the operational paradigm together starting from the early beginning to the modern times Man s history in the lands of the Nile extends back to the dawn of humankind and is one of the possible locations where man first crossed the line from indiscriminate violence to organized warfare However military historians ignore ancient Egyptians contribution to military art and science by relating the origins of operational art to European and American practitioners of the nineteenth century Did the ancient Egyptian military reached a high level of sophistication and did it practice operational art as conceived by modern military theorists during the New Kingdom of the Early Bronze Age 1550 1070 B C This work makes the case that operational art emerged during that period This study explains how Ancient Egypt s war machine reached a high level of sophistication through a brief examination of Ancient Egypt warfare It then examines the Pharaohs campaigns in the Asiatic theatre using operational factors and elements as discussed within the current U S Army doctrine

On Operational Art Center of Center of Military History United States Army,Center of Military History United States,2015-02-06 On Operational Art a companion volume to Michael D Krause s and R Cody Phillips s Historical Perspectives of the Operational Art captures the doctrinal debate over the concept of operational art Edited by Clayton R Newell and Michael D Krause the well organized anthology presents a snapshot of the development of operational art when the Army s attention was focused on Europe and the Soviet Union Consisting of original essays by distinguished historians and senior military commanders to include a prominent German officer the collection has not only a joint and combined flavor but also a tactical and strategic dimension Reflecting contemporary thoughts on new developments in U S military doctrine and covering significant battles and campaigns from the past On Operational Art is invaluable as a frame of reference for understanding the operational level of war from the

insightful commentary on the various aspects of practical application Those interested in the theory of war will find it useful for studying the evolution of doctrine from theory into practice **Napoleon and the Operational Art of War** ,2016-02-02 In *Napoleon and the Operational Art of War* the leading scholars of Napoleonic military history provide the most authoritative analysis of Napoleon's battlefield success and ultimate failure Napoleon's development and mastery of the operational art of warfare is revealed as each chapter analyzes one Napoleonic war or major campaign of a war To achieve this the essays conform to the common themes of Napoleon's planning his command and control his execution of plans and the response of his adversaries Napoleon's sea power and the British response to the French challenge at sea is also investigated Overall this volume reflects the finest scholarship and cutting edge research to be found in Napoleonic Military History Contributors include Jonathan Abel Robert M Citino Huw Davies Mark T Gerges John H Gill Jordan Hayworth Kenneth G Johnson Michael V Leggiere Kevin D McCranie Alexander Mikaberidze Frederick C Schneid John Severn Dennis Showalter Geoffrey Wawro and John F Weinzierl *Professional Journal of the United States Army* ,2006 **Strategy** Lawrence Freedman,2015 One of the world's leading authorities on war and international politics synthesizes the vast history of strategy's evolution in this consistently engaging and surprising account of how it came to pervade every aspect of life *United States Marine Corps - The Basic School - Warrant Officer Basic Course Materials* , Over 2 200 total pages WARRANT OFFICER BASIC COURSE WOBC 1 18 INFORMATION Congratulations on your selection as a Warrant Officer of Marines You are about to embark upon a truly remarkable journey as an officer of Marines That journey begins with your successful completion of the Warrant Officer Basic Course WOBC at The Basic School TBS in Quantico Virginia Warrant Officers and Title 10 Warrant Officer WO is an appointed rank vice a commissioned one Chief Warrant Officers Marine Gunners and Recruiting Officers are commissioned All Chief Warrant Officers and Warrant Officers must successfully complete the WOBC in order to retain their appointment or commission Title 10 U S C Section 1165 states THE SECRETARY OF THE NAVY HAS THE AUTHORITY TO TERMINATE THE REGULAR APPOINTMENT OF ANY PERMANENT REGULAR WO AT ANY TIME WITHIN THREE YEARS AFTER THE DATE WHEN THE OFFICER ACCEPTED HIS ORIGINAL PERMANENT APPOINTMENT A MARINE WHOSE APPOINTMENT IS TERMINATED MAY UPON HIS REQUEST AND AT THE DISCRETION OF THE SECRETARY OF THE NAVY BE ENLISTED IN A GRADE NOT LOWER THAN THAT HELD IMMEDIATELY PRIOR TO APPOINTMENT THEREFORE THE FIRST THREE YEARS AS A WO IS A PROBATIONARY PERIOD AND THE APPOINTMENT TO WO WILL BE TERMINATED IF A MARINE DOES NOT COMPLETE THE REQUIREMENTS OF THE WOBC WOBC MISSION STATEMENT Train and educate newly appointed warrant officers in the high standards of professional knowledge esprit de corps and leadership required to transition from enlisted Marine to officer with particular emphasis on the duties responsibilities and warfighting skills required of a provisional rifle platoon commander The Warrant Officer Basic Course The WOBC is an eighteen week course that focuses on the transition from enlisted Marine to Marine officer TBS and the WOBC focus on five

horizontal themes that define expectations of all Marine Officers 1 a man woman of exemplary character 2 devoted to leading Marines 24 7 3 able to decide communicate and act in the fog of war 4 a Warfighter who embraces the Corps warrior ethos and 5 mentally strong and physically tough The universal concept that Marine Officers must be able to assess situations weigh the pros and cons of various decisions make a decision develop a plan communicate that plan effectively and supervise its execution is stressed and exercised throughout the course The course will teach the science and art required for service of Marine Officers with an emphasis on decision making throughout Provisional infantry and planning subjects are together used as the means or vehicle to teach and evaluate this process Since all students are evaluated on leadership as Marine Officers physical mental and emotional stress are incorporated throughout the course in order to evaluate the ability to lead in chaotic and stressful environments Some individuals will be pushed close to their failing point but the WOBC is designed to give students an opportunity to display positive leadership qualities in the face of adversity The WOBC is not a check in the block It is a course designed to provide students with the learning experiences necessary to effectively transition to service as a Marine Officer Students who do not successfully complete the course face a variety of administrative actions including repetition of the course recycle to a six month lieutenant Basic Officer Course revocation of appointment or separation from the service The WOBC curriculum is an academically rigorous provisional infantry and staff planning based program of instruction POI which consists of approximately 935 hours of formal instruction The POI includes classroom instruction field exercises sand table exercises and discussion groups Classroom instruction is designed around the flipped classroom model

Understanding Land Warfare Christopher Tuck, 2022-06-22 This textbook provides a thorough grounding in the vocabulary concepts issues and debates associated with modern land warfare The second edition has been updated and revised and includes new chapters on non western perspectives and hybrid warfare Drawing on a range of case studies spanning the First World War through to contemporary conflicts in Syria Ukraine and Nagorno Karabakh the book explores what is unique about the land domain and how this has shaped the theory and practice of military operations conducted upon it It also looks at land warfare across the spectrum of its conduct including conventional campaigning counterinsurgency and peace support and stabilisation operations Key themes and debates identified and analysed include the tensions between change and continuity the role of technology in land warfare the relevance of culture and context the difficulties in translating theory into effective military practice in depth discussions on issues of immediate contemporary significance including hybrid warfare emerging military technologies and the military reform processes of the US Russian and Chinese land forces This book will be essential reading for military practitioners and for students of land warfare military history war studies and strategic studies

From Storm to Freedom John R Ballard, 2010-04-15 *From Storm to Freedom* analyzes and assesses the strategic interaction between Iraq and the United States from 1990 to 2009 from the perspective of a single if discontinuous conflict With this longer term perspective covering both Operation Desert Storm and Operation Iraqi Freedom

the book clarifies the long road of war against Iraq This work recounts presents the evolution of counterinsurgency operations from 2003 to 2009 explains the misunderstanding and miscommunication between government leaders in Iraq and the United States throughout the period and describes the ineffective nature of the UN sanctions the inefficient efforts of the Clinton Administration and the impact of the preemptive strategy of the Bush Administration that led to conflict in 2002 The book first identifies the influence of the Vietnam era on the use of U S military power and the decision for war in 1990 The book then outlines the important factors of Iraqi history and culture which dominated relations between the two nations during the 1980s and 1990s In subsequent chapters the 1991 campaign of Desert Storm is analyzed from both the U S and Iraqi perspectives then the military economic and diplomatic actions of the period between the two more conventional military parts of the conflict are assessed The final chapters analyze the highly successful 2003 conventional campaign from both perspectives the ineffective post war stabilization operations in Iraq which began with the failure to transition under the Coalition Provisional Authority and the eventual development and implementation of a more effective strategy in Iraq combining new doctrine and a Surge of forces to protect the population in a renewed counterinsurgency campaign In a concluding chapter the key lessons for the future are reviewed including the importance of effective strategic decision making and the mindset required to prosecute modern war **Infantry** ,2008 **The Cambridge History of the First**

World War: Volume 1, Global War Jay Winter,2014-01-09 This first volume of The Cambridge History of the First World War provides a comprehensive account of the war s military history An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914 Adopting a global perspective the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the political landscape of the world order It also charts the moral political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets The Air Force Law Review ,2014

Reconsidering the American Way of War Antulio J. EchevarriaII,2014-05-28 Challenging several longstanding notions about the American way of war this book examines US strategic and operational practice from 1775 to 2014 It surveys all major US wars from the War of Independence to the campaigns in Iraq and Afghanistan as well as most smaller US conflicts to determine what patterns if any existed in American uses of force Contrary to many popular sentiments Echevarria finds that the American way of war is not astrategic apolitical or defined by the use of overwhelming force Instead the American way of war was driven more by political considerations than military ones and the amount of force employed was rarely overwhelming or decisive As a scholar of Clausewitz Echevarria borrows explicitly from the Prussian to describe the American way of war not only as an extension of US policy by other means but also the continuation of US politics by those

means The book's focus on strategic and operational practice closes the gap between critiques of American strategic thinking and analyses of US campaigns Echevarria discovers that most conceptions of American strategic culture fail to hold up to scrutiny and that US operational practice has been closer to military science than to military art Providing a fresh look at how America's leaders have used military force historically and what that may mean for the future this book should be of interest to military practitioners and policymakers students and scholars of military history and security studies and general readers interested in military history and the future of military power

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, **Historical Perspectives Of The Operational Art** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Historical Perspectives Of The Operational Art, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Historical Perspectives Of The Operational Art books or magazines might include. Look for these in online stores or libraries. Remember that while Historical Perspectives Of The Operational Art, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Historical Perspectives Of The Operational Art eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Historical Perspectives Of The Operational Art full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Historical Perspectives Of The Operational Art eBooks, including some popular titles.

FAQs About Historical Perspectives Of The Operational Art Books

What is a Historical Perspectives Of The Operational Art PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Historical Perspectives Of The Operational Art PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Historical Perspectives Of The Operational Art PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Historical Perspectives Of The Operational Art PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Historical Perspectives Of The Operational Art PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
