Kenyon B. De Greene,2008-04-26 The twenty first century is lurching chaotically into a perilous and uncertain future Once vibrant and creative the University now large anachronistic and bureaucratic has all but exhausted its capabilities to respond to challenges and threats from within and without Years of hypocrisy and power politics have taken their toll on the would be second Caltech Now everything is going wrong A cynical attempt to fire a popular young teacher Alistair Higham explodes as students parents alumni and the professors professional organization come to the aid of the teacher Investigation by the professional organization brings other injustices to light It seems likely that the University will be censored and will lose its accreditation The neighborhood around the University rises in protest over the latter s ham handed attempt to have a block of lower middle class houses razed to make room for a parking lot Tight connections with industry make the University a partner in dumping toxic wastes in poor Mexican American neighborhoods and in mining in mountain wildernesses Eventually a crafty liaison with the oil industry comes to a head as the University is revealed to be an indirect participant in genocide in Quetzalgalpa a remote and war ravaged Central American country **Outsiders in 19th-century Press**

History Frankie Hutton,Barbara Straus Reed,1995 This anthology of journalism history brings together essays on the early Black press pioneer Jewish journalism Spanish language newspapers Native American newspapers woman suffrage peace advocacy and Chinese American and Mormon publications It shows how marginal groups developed their own journalism to counter the prejudices and misconceptions of the white establishment press The essays address the important questions of freedom of expression in religious matters as well as the domains of race and gender **Fifth Sun** Camilla

Townsend,2019-10-04 In November 1519 Hernando Cort s walked along a causeway leading to the capital of the Aztec

kingdom and came face to face with Moctezuma That story and the story of what happened afterwards has been told many times but always following the narrative offered by the Spaniards After all we have been taught it was the Europeans who held the pens But the Native Americans were intrigued by the Roman alphabet and unbeknownst to the newcomers they used it to write detailed histories in their own language of Nahuatl Until recently these sources remained obscure only partially translated and rarely consulted by scholars For the first time in Fifth Sun the history of the Aztecs is offered in all its complexity based solely on the texts written by the indigenous people themselves Camilla Townsend presents an accessible and humanized depiction of these native Mexicans rather than seeing them as the exotic bloody figures of European stereotypes The conquest in this work is neither an apocalyptic moment nor an origin story launching Mexicans into existence The Mexica people had a history of their own long before the Europeans arrived and did not simply capitulate to Spanish culture and colonization Instead they realigned their political allegiances accommodated new obligations adopted new technologies and endured This engaging revisionist history of the Aztecs told through their own words explores the experience of a once powerful people facing the trauma of conquest and finding ways to survive offering an empathetic interpretation for experts and non specialists alike
