Creating the Constitution

What compromises emerged from the Constitutional Convention?

Introduction

When the American quest for independence ended, Americans began to debate the future of the new nation. The debate was not about the future of the United States, but about the future of the new nation. The debate was not about the future of the United States, but about the future of the new nation. The debate was not about the future of the United States, but about the future of the new nation.

After declaring independence in 1776, Congress did not create the nation's first government. Instead, each state wrote its own constitution. The result was a patchwork of different laws and customs. The result was a patchwork of different laws and customs. The result was a patchwork of different laws and customs.

A photograph of the interior of the room where the Constitutional Convention took place. The room is large and historic, with high ceilings and wooden floors. It is filled with round tables and chairs, arranged in a way that suggests a formal meeting or debate. The room is dimly lit, with light coming from windows on the right side.
