History Of Christian Doctrine 1896:

History of Christian Doctrine (1896) George Park Fisher, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. Catalogue of the General Theological Library, Boston, Massachusetts General Theological Library, 1913 **Bulletin of the Library Company of Philadelphia**, 1893 *The Sanctified South* John Lawrence Brasher, 1994 This richly detailed biography examines the colorful life and preaching of evangelist John Lakin Brasher, 1868-1971, effectively destroying old stereotypes that portrayed holiness folk as fanatical and uneducated. Relying primarily on Brasher's 25,000 manuscripts and on extensive sound recordings of his preaching and storytelling, J. Lawrence Brasher analyzes the dynamics of holiness religious experience and explores the beliefs, rituals, politics, cultural context, and folklore of the southern holiness movement. The Survivor's Guide to Theology M. James Sawyer, 2016-04-11 Men and women embarking on the study of systematic theology quickly find themselves awash in a sea of unfamiliar theological terms, historical names, and philosophical isms. *The Survivor's Guide to Theology* is both a life preserver to help stay afloat and a compass to help navigate these often unfamiliar waters. While many books on systematic theology provide introductory material, still the reader is often forced to dive right into actual theology without adequate framework for understanding. Resources for building this framework are available but scattered. This unique book brings them together in one place. *The Survivor's Guide to Theology* is ideal for both introduction and review reference. The first part deals with the question, "What is Theology?" It addresses issues, categories, theory of knowledge, and more. The second part surveys nine major theological systems. For each, the author provides history and background, overview of content, and theological distinctive, and a critique. The final part provides the reader with biographical sketches of significant theologians, a brief dictionary of common theological terms, and an annotated bibliography of major theological works. **The Doctrine of the Atonement** John Kenneth Mozley, 1916 **The Roman Catholic Church - A Critical Appraisal** Hendrick Park, 2008-03 The Roman Catholic Church is the largest denomination with 1.1 billion adherents. Recently, the pope Benedict XVI reasserted that the Catholic Church is the only true church founded by Christ. Today, there is a pervasive indifference as to the question, "what is the true Christianity?" This is a serious situation because there are numerous false or only partly true versions of Christianity. The author of this book attempts a critical appraisal of the Roman Catholic Church by the criteria of the Bible and history. The conclusion he reached is that the Catholic Church is a perversion of the Christianity of the New Testament. The author believes that he has substantiated the proposition that there are many unbiblical, pagan elements in the Church. To give one example, the monarchical papacy and the authoritarian church structure developed after the model of the authoritarian government of the ancient Roman Empire. No wonder that its official name is

the Roman Catholic Church A theologian and a minister Received a doctorate in systematic theology from the University of Toronto He did the ministerial work for 17 years in the United Church of Canada Took early retirement in 1990 to study and write books which is he feels the talent and his main vocation he has received from God He respects the Bible as containing the revealed word of God According to the prophets of God justice and mercy and the pure preservation of the true religion of God are God s two major concerns He believes that God s major concerns should be all Christians major concerns as well The Roman Catholic Church A Critical Appraisal was written from that perspective in order to attest to the true religion of God and to keep Christians from heading onto the wrong path **Christianity and Sin** Robert Mackintosh,1914 The Christology in the Apostolic Fathers Alonzo Rosecrans Stark,1912 *University of Chicago Contributions to Philosophy*,1904
