Business Process Transformation Varun Grover, M Lynne Markus, 2015-05-11. Featuring contributions from prominent thinkers and researchers, this volume in the Advances in Management Information Systems series provides a rich set of conceptual, empirical and introspective studies that epitomize fundamental knowledge in the area of Business Process Transformation. Processes are interpreted broadly to include operational and managerial processes within and between organizations as well as those involved in knowledge generation. Transformation includes radical and incremental change, its conduct, management and outcome. The editors and contributing authors pay close attention to the role of IS organizations and information technologies in facilitating business process transformation. Each chapter places major emphasis on clearly articulating the knowledge generated, both theoretical and applied. The book incorporates case studies and tables throughout and provides fundamental grounding for any stakeholder of business process transformation. **Lemon-Aid New and Used Cars and Trucks 2007-2017** Phil Edmonston, 2017-03-11. Steers buyers through the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market. Dr Phil, along with George Iny and the Editors of the Automobile Protection Association, pull no punches.
