How To Discipline A Werewolf BdsM Bbw Werewolf Romance:

Wolf In Disguise: Never Forgotten Jodie Sloan, 2015-06-26 Sal has learned why Josh left her so long ago without any explanation. It's not exactly what she thought it would be and in her mind it was another woman or a commitment issue. What she learns instead is that he is a werewolf, a man that turns into this creature once a month during the full moon. Instead of shying away from it, she embraced it and even asked him to change her into one of them. He was reluctant at first but eventually her persistence paid off and they became more than just a couple; they became a family. They had no idea that a man was watching them as they changed for the first time, showing off her baby bump and moving into the woods for her first hunt. Josh has been very secretive about his past and even family life. Sal believes that he is hiding something from her and has taken it upon herself to dig into his family tree. Josh, on the other hand, feels that the past should be left where it is and never wants to speak of his family or of the past again. Unfortunately, these things tend to raise their ugly head at the wrong moments. His love for her will be tested when she betrays him and brings to their doorstep a long lost family member. It will be a sister named Sheila, a woman that has been searching for her brother for a very long time. It is a strained relationship between the two of them and even though Sal pries about their family, neither one is willing to speak of it. If she thought that becoming a werewolf was going to be her biggest obstacle, she is about to find out that there is a lot more to Josh than just the change on the full moon.

places she can hide in the city PG Excerpt Hello there The man looms in front of her huge and terrifying What s a little thing like you doing out here all alone Don t you know it s not safe for shifters like you out here I um I m just here for the event she stutters If you could point me in the direction of my hotel that would be very helpful she says hoping her ears are properly tucked under her hair and they can t see them Apparently city folks are weird about Shifters like her which was why Darnell had been so wary about letting her out of the hotel Aren t you sweet The man sneers looming in front of her closing in and grabbing her wrist hard enough to hurt Please let go she says her heartbeat going too fast I Please she whimpers eyes filling with tears She can hold onto her shift easier now that she s older but she s fast forgetting how to keep in control because she s really scared right now Why would I do that Sweet little thing like you he drawls leaning in and licking a wet strip up her cheek It s really gross and she pulls away cheeks going bright red with humiliation The other werewolves are closing in now too trapping her between them to give her the feeling of prey being surrounded It s terrifying Her breath hitches and her eyes burn with tears She wipes away the saliva on her cheek with the back of her hand She doesn t like the way he smells like cigarette smoke He yanks her close pulling their bodies closer together and then he shifts partially so that his fingers turn into sharp claws right in front of her eyes She thinks of hitting him and running away but she s outnumbered She closes her eyes and grimaces when she feels him comb through her hair tips of his claws cutting through her hair band like it s made of paper Her hair tumbles out from the ponytail and her rabbit ears drop down A whine escapes her throat Her ears fold back and she trembles quietly panicking Jesus Oh my god What the She closes her eyes heart beating so hard she s afraid it would break through her rib cage and abandon her Aren t you just lovely he grins and she can feel his breath on her cheek burning hot and smelling like cigarette smoke and danger Her ears are folded all the way back pressing into her ear so his words have a sort of echo to them She yelps when he clutches her long ears in his palm and tugs her head back exposing her bare neck to him and looking at her like he s trying to find the best place to slit her neck It hurts to have her ears tugged like this You re going to catch a high price at the market But maybe we can play with you a little before we send you there he says his voice dropping low He leans in close mouth parted a little bit like he s going to kiss her and the idea of his lips on hers makes her blood run cold Her breath hitches and she loses control of her shift entirely It happens between one breath and the next her body shrinking so rapidly that his hold on her ears loosen enough for her to drop straight down onto the pavement She runs leaving behind her favorite dress and what little spare change she has in her pockets
