

**IF THE SHOE DOESN'T FIT,
MAYBE IT'S TIME TO DESIGN YOUR OWN.**

Cindy loves shoes. A well-placed bow or a chic stacked heel is her form of self-expression. As a fashion-obsessed plus-size woman, she can never find designer clothes that work on her body, but a special pair of shoes always fits just right.

With a shiny new design degree but no job in sight, Cindy moves back in with her stepmother, Erica Tremaine, the executive producer of the world's biggest reality dating show. When a slot on *Before Midnight* needs filling at the last minute, Cindy is thrust into the spotlight. Showcasing her killer shoe collection on network TV seems like a great way to jump-start her career. And, while she's at it, why not go on a few lavish dates with an eligible suitor?

But being the first and only plus-size contestant on *Before Midnight* turns her into a viral sensation—and a body-positivity icon—overnight. Even harder to believe? She can actually see herself falling for this Prince Charming. To make it to the end, despite the backhanded compliments, conniving producers, and a house full of fellow contestants she's not sure she can trust, Cindy will have to take a leap of faith and hope her heels—and her heart—don't break in the process.
