Growing Independent Learners Debbie Diller, 2023-10-10 Debbie Diller has revolutionized literacy instruction in countless classrooms over the years, demonstrating how to effectively use literacy workstations to engage students in critical literacy learning. In *Growing Independent Learners: From Literacy Standards to Stations K-3*, she provides a comprehensive guide to help you plan instruction focused on literacy standards, organize your classroom for maximum benefit, and lead your students to independence through whole group lessons, small group focus, and partner learning at literacy stations. The first four chapters lay the foundation with planning, organizing, and instruction that are essential for success with literacy workstations. From creating a model classroom and developing planning tools to using anchor charts, Diller gives you creative ideas for making the most of your classroom environment to support student independence. Later chapters focus on standards-based instruction built around key reading, writing, and foundational skills, as well as speaking, listening, and language standards. Each of these chapters provides the following: Detailed explanations of each standard's importance and real-world application examples. Planning tools including academic vocabulary, modifiable lesson plans for whole group instruction, and suggestions for literacy workstations. Mentor texts to use during whole group, small group, or stations. Over 400 full-color photos demonstrating workstations in action. Ways to connect lessons into other areas of daily instruction, including independent reading time, small group instruction, and workstations. *Growing Independent Learners* will help you create a vibrant classroom filled with independent learners. This book will quickly become an essential resource for any teacher who believes that all children can learn to work independently in a classroom that's well organized and mindfully planned.

Your Literacy Standards Companion, Grades 3-5 Leslie Blauman, Jim Burke, 2017-04-28 Standards-based learning just got a lot easier. This new version of *The Common Core Companion* provides an index for all states implementing state-specific ELA standards. This index allows you to see in an instant which of your standards are the same as CCSS, which differ, and how, and which page number to turn to for standards-based teaching ideas. Beyond that, it's the same great go-to guide for implementing the standards, translating each and every standard for reading, writing, speaking, and listening.

Writing Workshop in the Elementary Classroom Kathleen Puente, Jenny C. Wilson, 2019-01-12 *Writing Workshop in the Elementary Classroom* is a culmination of the authors' work with students and writing for collectively over 35 years. Teaching writing using a workshop methodology can be exciting.

as it is an interactive approach to writing but it can also be challenging as it is not the traditional teacher directed whole class lessons that many test preparation curriculums tout The book takes the reader through the stages of the writing process in the first part explaining what students are doing and thinking in each stage In the second part the authors explain how to manage students materials mini lessons grading and other aspects that help writing workshop classrooms run smoothly To help with the transition to a workshop method readers are asked to keep a journal wherein they plan what they will do in their classrooms *Handbook of Formative Assessment in the Disciplines* Heidi L.
