 ,1985 Serves as an index to Eric reports microform **Leading Education Systems** Stephen Brown,Patrick
 Duignan,2021-06-03 As the once in a lifetime stimulus of a pandemic creates the opportunity for change this ground breaking
 and timely edited text is a must have springboard for the re imagination of education system leadership How can education
 stakeholders act in collaboration to lead us into a new and different age Judicial appointments Great Britain: Parliament:
 House of Lords: Select Committee on the Constitution,2012-03-28 In 2011 only 5 1% of judges were Black Asian and Minority
 Ethnic BAME and just 22 3% were women The Committee stresses that diversity incorporates a number of other elements
 including disability sexual orientation legal profession and social background and rejected any notion that those from under
 represented groups are less worthy candidates or that a more diverse judiciary would undermine the quality of our judges A
 number of recommendations are made to improve diversity in the judiciary including the Lord Chancellor and Lord Chief
 Justice should have a duty to encourage diversity support of the application of section 159 of the Equalities Act more
 opportunities for flexible working and the taking of career breaks encouraging applications from lawyers other than
 barristers and while the Committee does not currently support the introduction of targets for the number of BAME and
 women judges it says this should be looked at again in five years The importance of the independence of the judiciary is also
 stressed opting for the Lord Chancellor s power to reject nominations for posts below the High Court to be transferred to the
 Lord Chief Justice In order to ensure judges continue to have appropriate independence from Parliament the Committee
 suggests that a system of formal appraisals should be introduced for judges The Committee also recommends that the
 retirement age for the most senior judges should be raised to 75 to prevent a loss of talent in the highest courts and allow
 more time for women and others who have not followed a traditional career path to reach the highest levels of the judiciary
