Ebony, 1983-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Garlic-Free Gourmet** Andy Ward, 2008-04-02 I may use the word Gourmet loosely when applying it to some of these recipes but I don't regret it The combinations of ingredients and satisfaction of flavors will please your palate There are many other flavors besides garlic that can titillate your taste buds I think you will find that in the absence of garlic these other elements are going to blend together to bring you great pleasure After developing these recipes for my own use over the last few years I now want to share them with you Andy Ward Sauerkraut Cookbook: Mastering Homemade Sauerkraut Recipes Victor Gourmand, As a home chef I have always been fascinated by the world of fermented foods and sauerkraut has always been one of my favorites Its tangy and slightly sour taste along with its versatility make it a great addition to a wide range of dishes from traditional German cuisine to contemporary fusion dishes This is why I publish Sauerkraut Cookbook Mastering Homemade Sauerkraut Recipes Making sauerkraut at home is a simple and rewarding process that requires only a few ingredients and tools All you need is fresh cabbage salt and some basic equipment such as a large mixing bowl a knife or mandolin and a fermentation

vessel such as a glass jar or crock The key to making good sauerkraut is to choose the right type of cabbage and to use the correct amount of salt to create the right environment for the lactic acid bacteria to ferment the cabbage Once you have your cabbage and salt the process of making sauerkraut is quite straightforward You simply slice or shred the cabbage mix it with the salt and then pack it tightly into your fermentation vessel You can add other ingredients such as spices herbs or vegetables to create different flavors and textures Then you let the cabbage ferment for several days or weeks depending on your taste preferences and the ambient temperature During this time the lactic acid bacteria will convert the natural sugars in the cabbage into lactic acid which gives sauerkraut its characteristic sour taste and tangy aroma The beauty of making sauerkraut at home is that you have complete control over the fermentation process which allows you to customize the flavor texture and acidity of your sauerkraut You can experiment with different types of cabbage such as red cabbage Napa cabbage or savoy cabbage to create different colors and textures You can also add other vegetables such as carrots beets or radishes to create more complex flavors and textures Spices and herbs such as caraway seeds garlic dill or juniper berries can also add depth and complexity to your sauerkraut After your homemade sauerkraut is ready the possibilities are endless You can use it as a condiment as a side dish or as an ingredient in a wide range of recipes Classic dishes such as Reuben sandwiches sauerkraut and sausage casseroles or pork and sauerkraut stews are always crowd pleasers However you can also use sauerkraut in more creative ways such as in kimchi inspired tacos sauerkraut and mushroom risotto or sauerkraut and apple salad One of the great things about sauerkraut is its nutritional value It is low in calories and fat and high in fiber vitamin C and probiotics which can improve digestion and boost the immune system Eating sauerkraut regularly can also help reduce inflammation and prevent certain types of cancer Storing and preserving sauerkraut is also easy Once you have fermented your sauerkraut you can store it in the refrigerator for several months or even years depending on the level of acidity and the type of container you use Canning or pickling sauerkraut is another option which allows you to preserve the flavor and texture of your sauerkraut for longer periods of time Overall Sauerkraut Cookbook Mastering Homemade Sauerkraut Recipes reveals that making sauerkraut at home is a fun and rewarding experience that allows you to explore new flavors textures and health benefits With a little bit of experimentation and creativity you can create unique sauerkraut recipes that will delight your taste buds and impress not just you but also your family and guests
