Connect With The Divine Vol - 1 Sri Narayani Peedam, 2014-12-13 This book is a first in the series of a compilation of spiritual discourses rendered by Sri Sakthi Amma from Sripuram Sri Narayani Peedam Thirumalaikodi Vellore District Tamilnadu India This book contains short stories with moral values Many topics that are essential to lead a good life of joy and contentment is covered in this book It is also a bible for a spiritual seeker *Punter Learns to Rock* Abhay Khemka, 2017-05-09 The author was a young modern world kid who had no belief in spirituality or the divine or that such a thing even exists He was a flamboyant businessman until one day when he heard a cassette from a sage which said the mind is like a child and you've got to control it He then realised that he is not one there is another one inside which has to be controlled As time flows the author realises that it is that other one who is controlling you who is a child or an insane child Being driven by such a child or a monster can only result in a disaster He gets into finding out how the mind can be controlled and he realises that you can't control it The more you try to the more it exists The mind can never be treated with the mind It only amounts to manipulation of it His only experience and realisation are that dropping of the mind should be a

natural outcome not an effort Its explained here that being aware of the functions and properties of the mind and the modes in which it functions makes you then not act through the subjectivity of the mind Changing the action doesnt help Changing the state of mind can get you the desired success and then youll truly rock in life The author wanted the book to come out of him based on his own life experiences rather than writing anything based on some bookish knowledge Contrary to general belief success in the material world can only be a result of being spiritual Only then can you rock **Positively Rocks** Katie Cameron,2020-06-30 Paint it forward with this fun and inspiring rock painting kit Infuse your life with positivity through the bold and inspiring rock painting projects in Positively Rocks Step by step instructions with photographs make it easy to add colorful accents to your house and garden all done with an emphasis on positive thinking The kit includes four large river rocks three acrylic paints five colored gel pens a paintbrush a dotting tool a permanent marker and a 48 page instruction book to help you paint eight creative pieces A variety of tips and tricks will enable you to rock on and create your own designs *Short, Easy, and Intellectual Method of Learning to Read by the Sound of Letters and Combinations, Etc.
