**Julius Grey**, 2014     Julius Grey, 2014     *History of the Jews in Quebec* Pierre Anctil, 2021-09-07 The presence of Jews in Quebec dates back four centuries Quebec Jewry in Montreal in particular has evolved over time thanks to successive waves of migration from different regions of the world The Jews of Quebec belong to a unique society in North America which they have worked to fashion The dedication with which they have defended their rights and their extensive achievements in multiple sectors of activity have helped foster diversity in Quebec This work recounts the different contributions Jews have made over the years along with the cultural context that encouraged the emergence in Montreal of a Jewish community like no other in North America This is the first overview of a history that began during the French Regime and continued through many twists and turns up to the turn of the twenty first century     *Capitalism and the Alternatives* Julius H. Grey, 2019-04-05 Thirty years after its global triumph neo liberalism is an abject failure While its advocates have succeeded in convincing citizens that no other way is possible that no left turn can be made without an economic collapse they have not fulfilled their promises of a better world and the result has been more inequality insecurity and speculation Many have sought solace in collective goals nationalism narrow religion and gender politics while notions of universal solidarity idealism and humanism have all but disappeared In *Capitalism and the Alternatives* Julius H Grey seeks to rehabilitate economic equality as a fundamental social goal built on universal values such as individualism liberty and even romanticism To achieve this he argues it is necessary to move away from national ethnic religious and even gender loyalties The importance in each society of common culture and widely accepted moral values Grey suggests cannot be overstated With its rampant political correctness the modern left seems to have lost sight of morality and individual freedom While most commentators stake out a partisan position in their criticism Grey s notion of individual romanticism as the basis of a socially progressive society and his stress on free will culture classical education and the right to dissent demand an overhaul of both the right and the left A fundamental rethinking of the social political and economic foundations of modern industrial society *Capitalism and the Alternatives* proposes freedom from identity instead of communitarianism and tradition as a condition for liberty and justice     Divergences Et Convergences, 2007     *Monsieur Boris et le cannabis* Jean-Marc Beausoleil, 2017-01-09T00:00:00-05:00 Marc Boris St Maurice est le fondateur du Bloc Pot du Parti marijuana et du Centre compassion un dispensaire de marijuana m dicale Retra ant le parcours de la lutte pour la l galisation de la marijuana des vingt derni res ann es le r cit de la vie de ce militant imp nitent s impose comme le r v lateur d importants changements sociaux D abord petit revendeur sur la route de la criminalit puis bassiste dans le groupe l gendaire rock alternatif Grimskunk aujourd hui membre actif du Parti lib ral et lobbyiste officiellement enregistr Boris n a cess de s adapter de se transformer pour toujours mieux d fendre son id e fixe Il faut l galiser la marijuana Dans cet essai biographique narr la mani re vive propre au nouveau journalisme soutenu par des heures d entrevues la vie de Boris se transforme en pop e o le plaisir

Julius Grey Entretiens : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
