

...coming from the beginning. The reason the Son of God appeared was to destroy the works of the devil. "No one born of God makes a practice of sinning, for God's seed abides in him, and he cannot offend who are the children of God, and who do not practice sin." By this it is the devil: whoever does not practice righteousness, he is the child of sin; the one who does not love his brother.

Love One Another

"For this is the message that you have heard from the Father: that we should love one another." We should not be afraid of the man who was of the evil one and murdered his brother. And why are you afraid? Because his own deeds were evil and he was not righteous. "Do not be surprised, brothers, that the world hates you." We know that we have passed out of death into life because we love the brothers. Whoever does not love abides in death. "Everyone who hates his brother is a murderer, and you know that no murderer has eternal life abiding in him."

"By this we know love: that he laid down his life for us, and we ought to lay down our lives for the brothers." But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him? "Little children, let us not love in word or with the tongue only, but in deed and in truth."

"By this we shall know that we are of the truth and reassure our heart before him; for whenever our heart condemns us, God is greater than our heart, and he knows everything." Beloved, if our heart does not condemn us, we have confidence before God; and whatever we ask, we receive from him, because we keep his commandments and do what pleases him. "And this is his love: that we believe in the name of his Son Jesus Christ and keep his commandments, just as he has commanded us." Whoever keeps his commandments abides in God, and God is in him. And by this we know that he abides in us, by the Spirit whom he has given us.

Test the Spirits

4 Beloved, do not believe every spirit, but test the spirits to see whether they are from God, for many false prophets have gone out into the world. "By this you know the Spirit of God: every spirit that confesses that Jesus Christ has come in the flesh is from God.

Douglass, 2014-09-11 All interpretive systems deal with the author Modern systems consider the text to be autonomous so that it is disconnected from the author's interests In Reading the Bible Ethically Eric Douglass reconsiders this connection His central argument is that the author is a subject who reproduces her culture and her subjectivity in the text As the author reproduces her subjectivity the text functions as the author's voice This allows Douglass to apply ethical principles to interpretation where that voice is treated as a subject for conversation and not an object for manipulation He uses this to texture the reading process so that an initial reading takes account of the author's communication while a second reading critiques that communication **Reading and Writing Scripture in New Religious Movements** E.
