**Punished for Dreaming** Bettina L. Love, 2023-09-12 NOW A NEW YORK TIMES AND A USA TODAY BESTSELLER WINNER 2024 GODDARD RIVERSIDE STEPHAN RUSSO BOOK PRIZE FOR SOCIAL JUSTICE FINALIST LOS ANGELES TIMES BOOK PRIZE I am an eighties baby who grew to hate school I never fully understood why Until now Until Bettina Love unapologetically and painstakingly chronicled the last forty years of education reform in this landmark book I hated school because it warred on me I hated school because I loved to dream Ibram X Kendi New York Times bestselling author of How to be an Antiracist In the tradition of Michelle Alexander an unflinching reckoning with the impact of 40 years of racist public school policy on generations of Black lives In Punished for Dreaming Dr Bettina Love argues forcefully that Reagan's presidency ushered in a War on Black Children pathologizing and penalizing them in concert with the War on Drugs New policies punished schools with policing closure and loss of funding in the name of reform as white savior egalitarian efforts increasingly allowed private interests to infiltrate the system These changes implicated children of color and Black children in particular as low performing making it all too easy to turn a blind eye to their disproportionate conviction and incarceration Today there is little national conversation about a structural overhaul of American schools cosmetic changes rooted in anti Blackness are now passed off as justice It is time to put a price tag on the miseducation of Black children In this prequel to The New Jim Crow Dr Love serves up a blistering account of four decades of educational reform through the lens of the people who lived it Punished for Dreaming lays bare the devastating effect on 25 Black Americans caught in the intersection of economic gain and racist

ideology Then with input from leading U S economists Dr Love offers a road map for repair arguing for reparations with transformation for all children at its core      The Campus Rape Frenzy KC Johnson, Stuart Taylor, Jr., 2018-05-22 In recent years politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation s institutions of higher learning as awash in a violent crime wave and to suggest preposterously that university leaders professors and students are indifferent to female sexual assault victims in their midst Neither of these claims has any bearing to reality But they have achieved widespread acceptance thanks in part to misleading alarums from the Obama administration and biased media coverage led by The New York Times The frenzy about campus rape has helped stimulate and has been fanned by ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation s all too compliant colleges and universities essentially to presume the guilt of accused students The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play This book uses hard facts to set the record straight It explores among other things nearly two dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have in a lopsided process been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges often after being tarred and feathered by their fellow students And it shows why all students and eventually society as a whole are harmed when our nation s universities abandon pursuit of truth and seek instead to accommodate the passions of the mob As detailed in the new Epilogue some encouraging events have transpired since this book was first published in October 2016 A majority of the judicial rulings in dozens of lawsuits by male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike revoked most of the guilt presuming Obama era policies and began a protracted rule making process designed to compel procedural fairness and nondiscrimination      Blacks in White Colleges George Lynn Cross, 2014-03-24 When George Lynn Cross arrived to teach botany at the University of Oklahoma in the summer of 1934 racial segregation was so strong in Norman that no African American dared remain within the city limits after sundown Almost ten years later when Cross became president of the university the full extent of Oklahoma s segregation laws came sharply into focus This book is President Cross s story of the events leading to the desegregation of the University of Oklahoma in 1948 with the admission of George W McLaurin to the Graduate School of Education Earlier a young black woman Ada Lois Sipuel Fisher had applied to the OU School of Law and been denied admission because of her race With the help of attorneys from the NAACP she took her case to the U S Supreme Court The High Court equivocated and a separate but equal law school was hastily established in Oklahoma City as a branch of all black Langston University It was not until three years later and then only after the intervention of President Cross who personally overrode the law s delay that Ms Fisher was able to study at the University of

Oklahoma from which she later graduated with honors Cross places these momentous events in historical context The story of desegregation at the University of Oklahoma a landmark in the continuing struggle for racial equality in the United States makes for an engrossing book     *The State of Developmental Education* T. Parker,M. Barrett,Leticia Tomas Bustillos,2014-12-17 The State of Developmental Education is the first book to provide a thorough comparative picture of how developmental education is carried out at higher education institutions and investigate how different state level policies and priorities change the availability types and quality of developmental education available
