active healthy brain the longings and desires and aspirations which the sight of Teeka inspired would you have been any more inclined to give credence to the reality of the origin of the ape man For from his thoughts alone you could never have gleaned the truth that he had been born to a gentle English lady or that his sire had been an English nobleman of time honored lineage Lost to Tarzan of the Apes was the truth of his origin That he was John Clayton Lord Greystoke with a seat in the House of Lords he did not know nor knowing would have understood *Jungle Tales of Tarzan* Edgar Rice
