Just David Eleanor H Porter:

Just David Eleanor H. Porter, 2012-10-01 If you have a soft spot for Eleanor H Porter's beloved novel *Pollyanna* you should definitely add *Just David* to your reading list. Written just a few years after Porter penned her best known work, this emotionally resonant and uplifting tale mines many of the same themes albeit from a starkly different vantage point. David is a young boy who has lived an extremely sheltered life in the mountains with just his father and his beloved violin to keep him company. When his father is beset by a grave illness, David is thrust out of his idyllic existence and is forced to grapple with the reality of the outside world. Will this innocent be able to make it through this trying time with his virtue and his life intact?

Just David - Classic Book Eleanor H. Porter, 2017-07-15 *Just David* is a 1916 children's novel by Eleanor H. Porter. It was among the top six bestsellers in cities across the United States in 1916 and in July 1916 it was the second bestselling novel. It tells the story of a young boy, David, who must learn to adapt to living with others after the death of his recluse father. Along the way, the villagers and his adoptive parents adopt as much or more to him. **Just David** Eleanor H.

Porter, 2022-10-24 Reproduction of the original *Just David* Eleanor H. Porter, 2020-09-07 Eleanor Porter wrote this wonderful novel two years after the runaway success of her book *Pollyanna*. Though also a bestseller at the time, *Just David* has rarely been reprinted since its release in 1916. We felt a story this good shouldn't be so hard to find, so we decided to put it back in print last year. Now it's in a longer-lasting hardcover. It is the story of David, a charming little boy of 10 who is suddenly transplanted from a world of music he plays the violin in the mountains with his father to the provincialism of a workaday small town. But even more, it is the story of how David transplants his own character, courage, and happiness into the lives of the people he meets and wins their love and respect. Here's what we say in the preface to the new edition: *Just David* is a quiet, unassuming children's novel about an orphaned young boy with a mysterious past. **Just David (Children Classic Books)** Eleanor H. But even more, it is the story of how David transplants his own character, courage, and happiness into the lives of the people he meets and wins their love and respect. Here's what we say in the preface to the new edition: *Just David* is a quiet, unassuming children's novel about an orphaned young boy with a mysterious past. David, not the typical boy found in most stories of his day, is a mixture of simplicity and complexity whose disarming innocence has a profound effect on the people he encounters. Unlike the good/bad boy often encountered in children's literature, David is a good/good boy. He is not in any way goody/goody in the moralistic sense but simply and purely good. David's goodness is not a mysterious quality that defies logic and imagination but rather a

quality cultivated in him by the intentional efforts of a wise and loving father During David s formative years his father secluded him from the influences of the outside world creating a private world in the mountains filled with simple pleasures purposeful study and beautiful music David s touching story is well within the scope of the imagination and David s endearing innocence engaging personality and natural character are unforgettable Just David struck a resonant chord in our family for several reasons First David s life affirms the biblical principle expressed in the proverb He who walks with the wise grows wise but a companion of fools suffers harm David walked with his father and became wise Also his story reminds us of the importance of creating the right appetite early in our children s lives David s love of music nature and beauty were intentionally cultivated in him by his father Finally there is a refreshing balance in David s life and character that provides a literary model to emulate especially for the more artistically inclined boy often overlooked in literature David is artistic yet he knows when to be realistic He is slight of stature yet able to handily defend himself when necessary He is trained and mannerly yet he is also manly He is sensitive yet sensible Whatever limitations he discovers he meets them with strength of character This is truly one of those books that everyone in your family will like and will likely want to hear or read more than once We re on our fourth reading It has even inspired us to have Just David days for our children when we focus on the beautiful and lovely things God has given us to enjoy Just David is just great Includes family discussion questions at the end of the book *Just David (1916) Children's Novel by Eleanor H.
