of late antiquity On the one hand Rome found itself under constant military threat as various tribes from the north and east encroached along its borders to fill the power vacuum left by the receding Empire On the other hand adherents to the Empire's new official faith Christianity found themselves without clear guidance as to what military roles their faith would permit the death of the apostles left them without revelatory guidance and the New Testament writings were not definitive on the subject The question then became Can a Christian answer the empire's call to military duty and still answer a clear conscience before God Fifth century philosopher St Augustine of Hippo sought to provide a solution to the two problems His approach formed the foundation of the just war tradition which has had enormous influence upon moral philosophical thought on military issues in the West ever since This major new study identifies the fundamental Augustinian premises and evaluates them in light of historical neo Platonic and Christian contexts It also identifies the effect of the Augustinian legacy upon medieval and modern philosophical reflections on the nature of warfare and on how war might be waged justly and morally

just war to the concrete practices and challenges of the Christian life Daniel Bell explains that the point is not simply to know the just war tradition but to live it even in the face of the tremendous difficulties associated with war He shows how just war practice if it is to be understood as a faithful form of Christian discipleship must be rooted in and shaped by the fundamental convictions and confessions of the faith The book includes a foreword by an Army chaplain who has served in Iraq and study questions for group use Just Wingin' It Jackie Klemme-Beisert, 2017-12-22 Jackie Klemme Beisert holds impressive parenting credentials she waters and feeds her children on a regular basis Her houseplants on the other hand are an entirely different manner In a collection of anecdotes and other stories based on her life Klemme Beisert humorously reflects on the ups and downs of raising four children how a crush on Leif Garrett transformed into a dream of becoming an actress why an epiphany led to a pledge to dance on every Coyote Ugly bar in the world and how overcoming a long held fear led her to drive into Mexico without a map a phone or knowing a lick of Spanish Klemme Beisert's other amusing stories include helpful hints for newlyweds insight on why a bloodcurdling scream will summon a game warden quicker than anything and tips on why no one should ever put dishwashing liquid in a dishwasher or let a pet bird fly near a ceiling fan Just Wingin' It shares one woman's humorous musings on motherhood marriage and everything in between as she embraces a life full of laughter

Dark Corners John Manning, 2016-11-18 There's something terrifying around every turn When the world as we know it has ended and all that remains of humanity's earthly ways are the stories that reside within the libraries of the space habitats the view of humanity can be skewed In these twenty four stories is a sample of how the earthly mind worked how it delighted in terrifying how it indulged in the horrific What must our future selves think of us This second volume in the Night Chills series offers tales from authors who joined us in Terror by Gaslight as well as some new and delightful minds Rie Sheridan Rose Wayne Borean R E Hinkle Catherine Stovall and John Manning himself are among those who have filled the pages of this volume with a sprinkling of humor and a large dose of chills I'm Just Saying Nathan McCrary, 2022-11-11 The book I'm Just Saying in my opinion gives an example of the power of thought Be it good or bad every person that has lived and is living is a living example of our thoughts A thought is nothing more than a thought until there is action taken on its behalf How you process your thoughts can be changed in an instant It all starts with you I'm Just Saying gives a simple breakdown of how easily the mind is manipulated by the ways of this world Although it is wise to be aware of the ways of this world it doesn't mean you should allow yourself to become a victim of it Many people have corrupted minds You may be sitting next to one of those people now That person may be you If you are aware of certain situations and you know you should create a change for the better in you why haven't you It all starts with a thought Here's a different point of view The Creator of the universe had a thought He said aEUEoeLet there be light aEUR Light appeared and it was good From there God had one thought after another for six days straight creating the world we live in today He had pure thoughts spoke life into them and they manifested From the beginning of time everything is manifested through a thought I'm just saying *Interfaith Just*

The Just and the Lively Michael Werth Gelber, 2002 Recognition is often considered a means to de escalate conflicts and promote peaceful social interactions This volume explores the forms that social recognition and its withholding may take in asymmetric armed conflicts examining the risks and opportunities that arise when local state and transnational actors recognise misrecognise or deny recognition of armed non state actors By studying key asymmetric conflicts through the prism of recognition it offers an innovative perspective on the interactions between armed non state actors and state actors In what contexts does granting recognition to armed non state actors foster conflict transformation What happens when governments withhold recognition or label armed non state actors in ways they perceive as misrecognition The authors examine the ambivalence of recognition processes in violent conflicts and their sometimes unintended consequences The volume shows that while non recognition prevents conflict transformation the recognition of armed non state actors may produce counterproductive precedents and new modes of exclusion in intra state and transnational politics

IT'S JUST LIFE! WHY GET YOUR KNICKERS IN A TWIST? Lennie George Abraham, 2024-11-09 This book is not an intellectual book Nor is it thought provoking It is meant to be a hoot It has no plot no love story no crime no conspiracy It is stark in its simplicity In as much as I mean for it to transport the readers like a time machine back into the fifties and sixties I hope it will also help to prove the theory that a Malayalee can be found anywhere on Earth even on the edges of the forests of a little known place called Perlis in Malaya This book is about the everyday affairs in the mundane life

of an ordinary person narrated in an ordinary way The subtle humour I've tried to weave into every situation should bring a smile to your face otherwise my purpose is lost As you turn the pages you're bound to find that however modest you thought life might be there are pitfalls and traps strewn your way If you can bring all these elements together season it with some entertainment and wit for it is that final component that sets apart the ordinary from the fascinating then my darlings consider yourselves lucky for you've lived a brilliant life This book is testimony to that *Just What the Cowboy Needed* Teresa Southwick, 2018-01-01 When a rancher opens his home to a nanny for his young daughter he finally opens his heart to love and happily ever after Never fall in love Never get married Logan Hunt knows all the things he doesn't want But his daughter needs a summer nanny and darn if Grace Flynn doesn't fit the bill and then some The sweetly alluring kindergarten teacher is showing the die-hard bachelor a thing or two about fatherhood It's her effect on his libido and heart that's keeping him up nights Did Grace really think her crush on Logan would magically vanish when she moved in with him and his adorable little girl Still she never thought the brooding rancher with the intense baby blues would turn out to be the cowboy of her dreams All she ever wanted was a real home Could her place to belong be with this unexpected family man **Just Because I'm Black** Sully Grand-Jean, 2014-03-03 The author Sully Grand Jean points out in his works that racism continues and Jim Crow and other discriminatory measures increased as the number of black literary works grow towards the end of the 20th century The author's writing is therefore of great social and historical importance in understanding the African American experience in the nineteenth and twentieth century Author Grand Jean has unique and insightful verses that testify to an evolving awareness as a man of color from child to young man from naïve to seasoned civil rights activist and from son to father Frequently the author's poetry expresses strong racial pride and respect for family His informal style makes his work accessible to both adults and children as he reveals the past present and future as written in the good book Holy Bible V Rucker MEd *High Tides* Rebekah Walton, 2012-01-23 Luis a Texan unknowingly starts to work for the Mexican drug Cartel in hopes of providing for his mother in a wheelchair But then he is kidnapped and taken down to Mexico Now he is caught in a shoot out between two Mexican Drug Cartels How will he escape
