Just A Little Insecurity Tracie Puckett:

Just a Little Series (Part Two) Tracie Puckett, 2013-10-14 If there was anything I d learned about getting close to Luke it was that I d always end up getting hurt And Luke wasn t going to hurt me again Period Gone are the days of simple crushes and subtle stares Life has given Julie an even bigger problem she s stuck in a romantic rut with absolutely zero certainties She s fallen in love with a man she can barely communicate with she s praying for another to make his triumphant return home to Oakland and no one quite understands the true extent of her heartache But when a prison break puts a dangerous convict on the loose Julie is faced with making some of the biggest decisions of her life once and for all love life included and the aftermath of her decisions threaten to haunt her for a lifetime With Charlie Matt Bruno Derek and Luke at her side she seems to have no shortage of men to help save her from her fears and insecurities But only one man steps up to the challenge and he s the only one who has what it takes to carry her through the darkest days of her life **Insecurity and Self Doubt**

Cally Finsbury, 2016-08-28 I want to thank you for choosing this book *Insecurity and Self Doubt How to Be Happier and More Confident* I hope this book can help you a friend or family member know they are not alone It is my intension that this book highlights my own journey of acknowledgement and reflection A journey that made me recognize my dirty little secret of self doubt and insecurity This journey gave me the opportunity of learning discovery and awareness of the issues I had It is difficult to admit what you have been feeling thinking and telling yourself on a regular basis I wanted to help myself come to terms with my reality I am sharing this with you in the hope that someone can benefit and know that they are not alone This is a very simple book that details my feelings of doubt and insecurity This book has quotes that helped me to develop a new way of thinking and feeling Finally this book gives examples of the change in attitude and mindset that I developed after absorbing and accepting that I am human and imperfect That I can be happier if I allow myself to be happier by acceptance of the things I cannot change and the ability to take action to improve my situation Remember boosting your day to day or hour to hour confidence isn t something that happens overnight but it is something that is easily achievable with a bit of effort from you Change is possible Ridding your work life of self doubt and crippling insecurity can happen if you do the work to make it happen
