A Concise Grammar of Business English Victor Tița, A Concise Grammar for Business English with exercises gives

concise explanations of all main areas of English grammar and provides a multitude of suggestive examples for you. It revises some of the points of grammar that you will have already studied such as when to use the a, an or zero article and when to use the past simple or the present perfect but will also introduce you to many more features of English grammar appropriate to an intermediate level of study. This book can be used in class with help from your teacher or at home as a self study book. If you are using the book by yourself use the Table of Contents to find the area that you want to study, read the grammatical explanation and examples provided. It is not necessary to work through the units in order. If you know what grammar points you have difficulty with go straight to the units that deal with them. I hope that *A Concise Grammar for Business English* helps you to improve your English.
