Hamilton, 2000 A 112 page volume containing a 27 000 word interview with a career sketch a comprehensive bibliography
and a representative selection of quotations from Hall s critics and reviewers Also included is Hall s recent poem Tidying Hall
comes across as a professional poet who has made the most of the institutional opportunities available in post war America to

work as an editor and anthologist Even tempered and meticulous he exemplifies a contented subservience to the work ethic
Poetry for Hall is a craft which can be laboured at in the expectation of success proportionate to investment of effort He is as
practical and dispassionate in his attitude to subject matter as to poetic form both are to be extended in the interests of
furthering the reach of his poetry and if private experience is to be drawn on it does not deserve any more excitable
treatment than other topics He none the less speaks at length about his personal life in the interview bringing a stoic grace
to his account of the circumstances and aftermath of the death of his wife the poet Jane Kenyon Tidying the revealingly titled
sample lyric offers a characteristically exact meditation on that aftermath Patrick Crotty Times Literary Supplement October
