Losing Control 3 Stories Of Submission:

The Science Fiction Film in Contemporary Hollywood Evdokia Stefanopoulou, 2023-07-27 The Science Fiction Film in Contemporary Hollywood focuses on the American science fiction SF film during the period 2001 2020 in order to provide a theoretical mapping of the genre in the context of Conglomerate Hollywood Using a social semiotics approach in a systematic corpus of films the book argues that the SF film can be delineated by two semiotic squares the first one centering on the genre s more than human ontologies SF bodies and the second one focusing on its imaginative worlds SF worlds Based on this theoretical framework the book examines the genre in six cycles which are placed in their historical context and are analyzed in relation to cultural discourses such as technological embodiment race animal human relations environmentalism global capitalism and the techno scientific Empire By considering these cycles which include superhero films creature films space operas among others as expressions of the genre s basic oppositions the book facilitates the comparison and juxtaposition of films that have rarely been discussed in tandem offering a new perspective on the multiple articulations of the SF film in the new millennium
