

A romantic scene featuring the silhouettes of a man and a woman standing on a dark, silhouetted hill. They are facing each other, with their arms extended to form a heart shape. The background is a vibrant sunset sky, transitioning from a deep blue at the top to a bright orange and yellow near the horizon where the sun is setting. The sun's glow creates a lens flare effect in the lower center. The overall mood is intimate and affectionate.

Wising Up Hal Milton, 2004-07-26 *Wising Up* is for everybody the middle aged aging boomer and anyone interested in *Wising Up* and living more consciously After over forty years of combined experience in teaching and creating and facilitating workshops Milton realized that our cultures focus is primarily on recreation and prolonging life rather than the quality of that life He concluded that people who were willing to look at their own personal histories are better able to make changes that produce a more satisfying life without regrets These concepts can recreate the promise of hopefulness you may have forgotten Self awareness Awareness of attitudes and behaviors that limit and contribute to a sense that somehow life is not working Conscious living Conscious living implies your choices are based on today's reality Awakening to wholeness Rediscover your own wholeness and a sense of hope *Wising Up* reassures that life has meaning and instructs how to find that meaning The book provides methods to increase consciousness and broaden narrowed perspectives Through the author's own experience as well as the teachings of others you will learn the process involved in self discovery and greater attentiveness to living Participate in *Wising Up* and live life without regrets **Pray the Gay Away** Bernadette Barton, 2012-10-01 2013

Finalist for the Lambda Literary Awards LGBT Studies category Barton argues that conventional Southern manners and religious institutions provide a foundation for homophobia in the Bible Belt In the Bible Belt it's common to see bumper stickers that claim One Man One Woman Marriage church billboards that command one to Get right with Jesus letters to the editor comparing gay marriage to marrying one's dog and nightly news about homophobic attacks from the Family Foundation While some areas of the United States have made tremendous progress in securing rights for gay people Bible Belt states lag behind Not only do most Bible Belt gays lack domestic partner benefits lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual In *Pray the Gay Away* Bernadette Barton argues that conventions of small town life rules which govern Southern manners and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt She explores how conservative Christian ideology reproduces homophobic attitudes and shares how Bible Belt gays negotiate these attitudes in their daily lives Drawing on the remarkable stories of Bible Belt gays Barton brings to the fore their thoughts experiences and hard won insights to explore the front lines of our national culture war over marriage family hate crimes and equal rights *Pray the Gay Away* illuminates their lives as both foot soldiers and casualties in the battle for gay rights **Lessons in Life** Deborah J

Regenerate Tony Scarcello,2020-09-24 Loss Fear Doubt What does anything mean when your ground of being is stripped away Tony met God when he was four years old through the love of his mother When he was twelve he realized he had a crush on one of his male friends and grew convinced God would have nothing to do with him At sixteen Tony reencountered God who affirmed that nothing stood between them but love When he was twenty three married to the girl of his dreams and on staff at a church Tony s secret came out and he came close to losing it all What followed was arduous years of deconstruction losing everything he thought he knew about God only to rediscover God in the mystery This God was not a new God it was the same one as before just seen with regenerated faith This God was more beautiful and restorative than Tony could have ever imagined Tony s story is not uncommon in the modern evangelical landscape Thousands of people throughout the West are experiencing a crisis of faith that is commonly referred to as deconstruction With raw honesty Tony uses his own story as a starting point for a dialogue on the deconstruction process Tony unpacks what the deconstruction process is why it happens and how the church can help people experiencing a crisis of faith without worsening it along the way In this memoir Tony candidly pleads for the church to make a turn not to a trendier progressive version of Christianity nor to a stricter form of fundamentalism but to the revolutionary Jesus centered movement that changed the face of the earth A movement once better known for its society of healing love than its dogma **The Sonnets** William
