Nirvana: The Last Nightmare Osho,2023-08-03 Religion is not any ideology Religion does not believe in any ideals Religion is to become aware of the impossibility of idealism of all idealism Religion is to live here and now and idealism goes on conditioning your mind to live somewhere else And only the now exists There is no other way to live The only way is to be here You cannot be there The tomorrow is non existent it never comes and idealism believes in the tomorrow It sacrifices the today at the altar of the tomorrow It goes on saying to you Do something improve yourself Do something change yourself Do something become perfect It appeals to the ego Idealism belongs to the world of the ego It appeals to the ego that you can be more perfect than you are in fact you should be more perfect than you are But each moment is perfect and it cannot be more perfect than it is
